REVIEW OF A REPORT FOR THE GOVERNMENT CONSTRUCTION CLIENT GROUP

- this book is great. it's like a reference guide, whenever i need to look up a problem i just look in the index and i can find it right-a-way! easy reading and highly recomended.

- I no longer remember how I discovered this fascinating (and frightening) book. Was it reviewed by some 'legitimate' source soon after (or before) publication? Something tells me it was the Wall Street Journal but honestly, I'm just not sure. Do you remember?I've always found it interesting that NONE of my 'open-minded' friends would dare take a look at it. (lol, sad but true!)LOVE the ongoing reader comments.2020, eh?
