REVIEW OF KAPLAN GMAT FLASHCARDS FLASHCARDS APP KAPLAN TEST PREP

- Publish Or Perish: The Educator's Imperative by academician and writer instructor Allan A. Glatthorn (Distinguished Research Professor Emeritus, East Carolina University) is a superbly organized and presented writing and publishing instructional guide and reference especially intended for academic and educational professionals. From writing research journals, to creating articles, op-ed pieces, literature reviews, theses, funding proposals, and more, Publish Or Perish offers a wealth of practical "how to" and "what to expect" information about making the most of the Internet's resources, mastering the academic style, working with editors and publishers, and getting published to one's greatest personal and academic advantage. Publish Or Perish is the definitive and strongly recommended introduction to converting ideas into the printed world in order to establish and achieve professional goals through the process of writing and being published.

- This is a very informative reference book. It covers many aspects of growing. The information as well as the photographs make this a must have for anyone who wants to grow medicine.
