REVIEW OF 1ST GRADE TEACHER OLD PAPER

- i just got these 3 books yesterday...and i had time to sit down and read all three of them in a single day its a page turner for sure..highly addictive reading...these books flesh out all the backstory on the master chief and the spartans...yes he was one of a group of super soldiers :).these books also

tell us about the war with the covenant and how it came to start and what the covenant is actually looking for on the planet halo.... if your a sci fi reader or just like a good story loaded with action grab these books..oh and the box set is great for desktop display...cant wait to the halo movie that is going into production.. cheers

- It's amazing to learn that this book pre-dates all of modern science fiction. I only heard about it because of the movie (which I haven't seen), so I picked up the book and read it. Outstanding.
