REVIEW OF SCHOOL PORTFOLIO TOOLKIT

- The book arrived on time & in mint condition. I have used the book before. I wear out one about once a year. Wish it came in hard cover.
- Taylor is a young woman living in Kentucky. She decides to leave her home in search for a better life and new challenging experiences. She ends up Tuscon, Arizona with a child to raise. Taylor has many experiences with her child and all the people she meets in Tuscon that help her learn more about life and responsibility. In the novel the characters share a true interdependence with one another. The Bean Trees is an excellent novel about finding the right place where you belong.
