Toundi Ondoua, the rural African protagonist of *Houseboy*, encounters a world of prisms that cast beautiful but unobtainable glimmers, especially for a black youth in colonial Cameroon. *Houseboy*, written in the form of Toundi's captivating diary and translated from the original French, discloses his awe of the white world and a web of unpredictable experiences. Early on, he escapes his father's angry blows by seeking asylum with his benefactor, the local European priest who meets an untimely death. Toundi then becomes the Chief Europeans boythe dog of the King. Toundi's attempt to fulfill a dream of advancement and improvement opens his eyes to troubling realities. Gradually, preconceptions of the Europeans come crashing down on him as he struggles with his identity, his place in society, and the changing culture.

The ars nova in Theory and Practice Crown

This debut historical novel tells the story of three bold, young women in 1667 who answered Louis XIV's call to help France settle the New World. They are known as

the filles du roi, or "King's Daughters" —young women who leave prosperous France for an uncertain future across the Atlantic. Their duty is to marry and bring forth a new generation of loyal citizens. Each prospective bride has her reason for leaving—poverty, family rejection, a broken engagement. Despite their different backgrounds, Rose, Nicole, and Elisabeth all believe that marriage to a stranger is their best, perhaps only, chance of happiness. Once in Quebec, Elisabeth quickly accepts baker Gilbert Beaumont, who wants a business partner as well as a wife. Nicole, a farmer's daughter from Rouen, marries a charming officer who promises comfort and security. Scarred by her traumatic past, Rose decides to take holy vows rather than marry. Yet no matter how carefully she chooses, each will be tested by hardship and heartbreaking loss—and sustained by the strength found in their uncommon friendship, and the precarious freedom offered by their new home. Praise for *Promised to the Crown* "An engaging, engrossing debut." —Greer Macallister, *USA Today* bestselling author of *The Magician's Lie* "An absorbing adventure with heart." —Jennifer Laam, author of *The Secret Daughter of the Tsar* "An unforgettable saga of strength and sisterhood, one that will stay with you long after the final page."--Anne Girard, author of *Platinum Doll* "A heart-wrenching and timeless tale of friendship, love, and hope that skillfully blends history and romance to educate, entertain, and inspire."--Pam Jenoff, author of *Last Summer at Chelsea Beach*

The Publications of the Huguenot Society of London Bloomsbury Publishing

The essays in this volume deal with the legal history of the Province of Quebec,

Upper and Lower Canada, and the Province of Canada between the British conquest of 1759 and confederation of the British North America colonies in 1867. The backbone of the modern Canadian provinces of Ontario and Quebec, this geographic area was unified politically for more than half of the period under consideration. As such, four of the papers are set in the geographic cradle of modern Quebec, four treat nineteenth-century Ontario, and the remaining four deal with the St. Lawrence and Great Lakes watershed as a whole. The authors come from disciplines as diverse as history, socio-legal studies, women's studies, and law. The majority make substantial use of second-language sources in their essays, which shade into intellectual history, social and family history, regulatory history, and political history.

From Pulitzer-Prize-nominated author Susan Griffin comes an unprecedented, provocative look at the dazzling world of the West's first independent women, whose lively liaisons brought them unspoken influence, wealth, and freedom. While they charmed some of Europe's most illustrious men honing their social skills as well as their sexual ones, the great courtesans gained riches, power, education, and sexual freedom in a time when other women were denied all of these. From Imperia of sixteenth-century Rome, who personified the Renaissance ideal of beauty; Mme. de Pompadour, the arbiter of all things fashionable in eighteenth-century Paris and Versailles; Liane de Pougy, known in

France during the Belle Epoque as "Our National Courtesan"; to Sarah Bernhardt, who, following in her mother's footsteps, supported herself in her early career with a second profession, *The Book of the Courtesans* tells the life stories and intricacies of the lavish lifestyles of these women. Unlike their geisha counterparts, courtesans neither lived in brothels nor bent their wills to suit their suitors. They were strong-willed, autonomous, and plucky. An open secret, their presence can be felt throughout our culture. The muses who enflamed the hearts and imaginations of our most celebrated artists, they were also artists in their own right. They wrote poetry and novels, invented the cancan at the Moulin Rouge, and presented celebrated acts at the Folies Bergères. They helped to influence and shape the sensibility of modern literature, painting, and fashion. When Greek sculptor Praxiteles wanted to depict Venus he used a famous courtesan as a model, as in later centuries Titian, Veronese, Raphael, Giorgione, and Boucher did when they painted goddesses. When Marcel Proust was a young man it was the courtesan Laure Hayman who took him under her wing, introducing him to the right people, and providing inspiration for one of literature's greatest masterpieces. And they often had considerable political influence too. When King Louis XV needed advice on foreign affairs or appointments of state he turned to Jeanne du Barry as well as Pompadour. In her witty and insightful prose, as Griffin celebrates these alluring and fascinating women, she restores a lost legacy of women's history. She gives us the stories of these amazing women who, starting from impoverished or unimpressive beginnings, garnered chateaux, fine coaches, fabulous

collections of jewelry, and even aristocratic titles along the way. And through a brilliant exploration of their extraordinary abilities, skills, and talents which Griffin playfully categorizes as their virtues "Timing, Beauty, Cheek, Brilliance, Gaiety, Grace, and Charm" her book explains how, while helping themselves, through their often outrageous, always entertaining examples, the great courtesans not only enriched our cultural heritage but helped to liberate women from the social, sexual, and economic strictures that confined them. Intensively researched and beautifully crafted, *The Book of the Courtesans* delves into scintillating but often hidden worlds, telling stories gleaned from many sources, including courtesans' memoirs, presented along with stunning rare photographs to create memorable portraits of some of the most pivotal figures in women's history.

At our book recap collection, we securely rely on the power of checking out *Jeanne Fille Du Roy The Kings Daughter Unknown Binding Suzanne Martel*. Not only can this open brand-new knowledge and understandings, however it can also conserve viewers time and help them determine which publications to spend their time in. A zany cross-country tour where cash is king and the laughs are large in classic Korman style! Dennis and Rob find perfect summer jobs as counsellors on the JT Juniortours cross-country driving tour. Dennis is in heaven - he thinks he and his friend Rob have scored the perfect summer jobs. But Rob quickly points out what Dennis never factored in - the group of boys they're now completely responsible for. That includes Artie Geller - Donald Trump in a 10-year-old's body. Artie gives his counsellors the slip whenever possible to set up new business opportunities. Dennis and Rob soon learn they can't control Artie, and that they have to hide every one of his schemes from the tour boss to protect their own skins. Visions of beautiful female counsellors are replaced by visions of bankruptcy... and the FBI.

Nouvelle Collection Des Mémoires Pour Servir À L'histoire de France University of Toronto Press

EXTRAORDINARY WOMAN SHAPES EARLY CANADIAN HISTORY Cherry Valley, NY November 2003 - Travel back into the wild frontier of 17th century Canada in an exciting tale of love, adventure, and war. Elise Dallemagne-Cookson's Marie Grandin - Sent by the King is the fascinating story of a brave young woman who was among the first French settlers to colonize North America. This

book is the life story of Marie Grandin and the part she and her husband, Jean Baudet, played in the establishment of the New World. She was among the famous young women known as "Les Filles du Roi" - daughters of the King - sent by King Louis XIV of France to help colonize his possessions in North America. Follow her every adventure as she pioneers the settlement of Lotbinière in Quebec, participates in La Salle's exploration of the Mississippi, dramatically rescues her daughter from the Mohawks, and witnesses Governor Frontenac's struggle for peace with the Iroquois Confederacy. Vibrant with accurate detail, Marie Grandin recounts the adventurous lives and struggles of the pioneers in the primeval forest wilderness of 17th century Canada. Based on the fascinating chronicles of her own ancestors, author Elise Dallemagne-Cookson, a direct descendant of Marie Grandin, tells Marie's story against a backdrop that is one of the most fascinating chapters in North American history. About the Author Elise Dallemagne-Cookson is the ninth generation granddaughter of Marie Grandin. She spent two years of intensive research on the extraordinary life of her ancestor, studying the voluminous archives of the Marie Grandin-Jean Baudet family. In addition, she had access to many valuable other documents recording life in the 17th century, such as the Jesuit Chronicles, the memoirs of Nicolas Perrot, the Baron Lahontan, and the collected works of the noted historian Francis Parkman. Marie Grandin - Sent by the King is Dallemagne-Cookson's fifth book. Her previous works include two novels and two memoirs based on her own life of adventure in Africa, South America, and the South Seas. The author is available

for interviews by calling 1-888-795-4274. ATTENTION REVIEWERS To request a complimentary paperback review copy, contact the publisher at 1-888-795-4274. For the convenience of your readers, please include the following in your review: Xlibris Books are available at your local bookstore or by calling 1-888-795-4274. COMMENTS FROM NOTED HISTORIANS "In her fifth book, a sweeping historical novel, Elise Dallemagne-Cookson takes us into the world of French Canada, where explorers, adventurers, churchmen, and settlers live in a world of constant struggle, destined not to end until England emerges triumphant in the Seven Years' War. We see all this through the eyes of Marie Grandin, whose tangled life begins in 1668 in Orleans, France, where a talented young girl flees a broken romance to go to Canada. There she finds love, war, Indians, adventurers, and friends like La Salle, the great explorer of the American interior, and Count Frontenac, among many others. It's a tale of high adventure and romance, told against a backdrop that is one of the most fascinating chapters in North American history. And Marie herself is an unforgettable heroine." John Tebbel, Historian, author of *The Battle for North America*. "Dallemagne-Cookson took me to another world and I feel I have a much stronger sense of early Canada and historical events...along with Marie

Grandin and other historical figures. The author rose to

The Weight of Sand Shadow Press

La Rochelle France, 1661. Fierce Protestant Isabelle is desperate to escape persecution by the Catholic King. Isabelle is tortured and harassed, her people forced to convert to the religion that rules the land. She risks her life by helping her fellow Protestants, which is forbidden by the powers of France. She accepts her fate - until she meets a handsome Catholic soldier who makes her question everything. She fights off an attack by a nobleman, and the only way to save herself is to flee to the colony of Canada as a Daughter of the King. She can have money, protection and a new life - if she adopts the religion she's spent a lifetime fighting. She must leave her homeland and the promises of her past. In the wild land of Canada, Isabelle finds that her search for love and faith has just begun. Based on the incredible true story of the French orphans who settled Canada, *Daughter of the King* is a sweeping tale of one young woman's fight for true freedom. Kerry Chaput brings the past to life, expertly weaving a gripping saga with vivid historical details. Jump back in time on a thrilling adventure with an unforgettable heroine.

In 1831 in rural North Carolina, sixteen-year-old Martitia, newly orphaned and timid, comes to live with a large, boisterous Quaker family whose five sons delight in teasing and laughter.

The Filles Du Roi, 1663-1673
Groundwood Books Ltd

Music theorists labelled the musical art of the 1330s and 1340s as 'new' and 'modern'. A close reading of writings on

music theory and the polyphonic repertory from the first half of the fourteenth century reveals a modern musical art that arose due to specific innovations in music notation. The French ars nova employed as its theoretical fundament a new system for arranging musical time proposed by the astronomer and mathematician Jean des Murs. Challenging prevailing accounts of the ars nova, this book presents the 'new art' within the intellectual context of its time, revises the datings of Jean des Murs's writings on music theory, and presents the intersection of theory and practice for a crucial era in the history of music. Through contemporaneous accounts, Desmond explores how individuals were involved in 'changing' music in early fourteenth-century France, and the technical developments they pursued that precipitated this stylistic change.

BENEFITS OF JEANNE FILLE DU ROY THE KINGS DAUGHTER UNKNOWN BINDING SUZANNE MARTEL BOOK RECAPS

Gordon Korman's classic, bestselling series celebrates its 35th anniversary! Macdonald Hall's ivy-covered buildings have housed and educated many fine young Canadians. But Bruno Walton and Boots O'Neal are far from being fine young Canadians. The roommates and best friends are nothing but trouble! Together they've snuck out after lights-out, swapped flags, kidnapped mascots . . . and that's only the beginning. When Bruno and Boots learn that Macdonald Hall is about to lose some of its best students to its arch-rival, York Academy, because the Hall doesn't have a swimming pool, they go on the warpath, determined to save the school. But their fundraising schemes turn to hilarious chaos! Join two of Gordon Korman's most memorable characters in seven side-splitting, rip-roaring adventures! Macdonald Hall is the series that started it all, and thirty-five years later it remains a must-read for old fans and new, the young -- and the young at heart.

Canadian Books for Young People/Livres canadiens pour la jeunesse, 3e
University of Toronto Press

A radiant, unforgettable memoir of one woman's 450 days spent in captivity, and her defiant refusal to have her humanity stripped away. When Edith meets Luca in a small Northern town, the two connect instantly. Under the Northern Lights, they develop a deep friendship over their shared passions: travel, living off the land, a bohemian life. In search of wanderlust, they embark on an epic road trip from Italy to Togo, where they will join their friend's sustainable farming project. Upon arriving on the African continent, they change their itinerary and drive through Africa's Sahel region, a haven for militant groups, where they are surrounded and captured. Little was known about Edith's and Luca's fate until they reappeared in Mali more than one year later, having mysteriously escaped their captors. Now, Edith shares her harrowing story with the world for the first time—complete with the poems that became a lifeline for her in captivity, which she wrote in secret with a pen borrowed from another hostage. Against the stunning but cruel backdrop of the desert, Edith recounts her months as a hostage: the oppressive heat, violent sandstorms, constant relocations, hunger strikes, and her eventual heart-pounding escape. Separated from Luca early on, she finds solidarity and comfort with a group of other female hostages, who lend her a pen to write poetry, a creative outlet that helps save her life. Edith is steadfast in her will to remain sane: she reveals her dedication to her art, and her striking ability to unsettle her captors and identify their vulnerabilities. A compelling descent into a strange, brutal universe, *The Weight of Sand* is ultimately a life-affirming book and a poetic celebration of one woman's resilience.

REVIEW OF JEANNE FILLE DU ROY THE KINGS DAUGHTER UNKNOWN BINDING SUZANNE MARTEL

- This well-written book gives keen insight to events surrounding the dissolution of Yugoslavia while providing a view into the collective mind of former Yugoslavians. This book also makes one wonder about how nationalism is used, for better or worse, in other countries as a political vehicle to motivate its people to support specific ideals. While I agree with Ugresic's criticism of nationalism and the role it plays in post-Yugoslavian times, I also wonder if it is just a collective defense-mechanism, a means for survival when collective identity is being shattered. It is a fascinating read, well-written, and illuminating on many different levels.

- This is a marvelous look at Athens during its Golden Age in the 5th century

BC. For a small community Athens was filled with several generations of over-achievers. Aeschylus, Sophocles, Euripides, Socrates, Pheidias, Themistocles, Aristophanes, Xenophon, Plato, Herodotus, Thucydides and Pericles himself all moved through this city in Attica and in some cases influenced each other. Athens at the beginning of its greatness was the creation of Cleisthenes who established it as a democracy following a period of particularly bizarre family politics that would be surprising even today. This ironically was the source of not only its greatness, but its destruction. The second factor that was responsible for Athens to achieve greatness was its role in defeating the Persians. The Persians retreated from the Aegean and the Athenians formed the Delian League which city states contributed either ships or money for the common defense. Since the Persians had better things to do than to invade pockets of Greek city states, Athens had money for a cultural explosion that formed the basis of western civilization. Architecture, drama, comedy, philosophy, and politics all came out of this development. Athens was not only the cultural center of the western world, it was the western world. What is sad is just how little survived from this period. The source of the greatness of Athens was also its downfall. Maintaining the Delian League, turned Athens into an imperial power, whose citizens became victims of a series of incompetent and unscrupulous leaders who proposed policies that lead to its diplomatic isolation. The greatest disaster was the campaign against Syracuse, which was not only incompetently waged, but lead to Alcibiades, the lead general of his day (and lacking in scruple) to defect to

Sparta and propose a policy that would lead to the end of the long walls that had ensured access to the sea and trade. This book, the first in the Centers of Civilization Series is an excellent summing up the contributions of

classical Athens and features extracts from Thucydides, some of the plays, and Plato. Few works can summarize the contribution of this golden age in a more concise manner
