REVIEW OF SAMSUNG M620 USER GUIDE

- In my opinion this is one of the most wonderful sagas of Marvel Comics of all time. I say that because Thanos is the most brilliant characters of superhero stories, smarter than cosmic entities. Years ago, when this story was published at the first time, we already were waiting for a new Thanos saga, after the cosmic cube saga against Captain Marvel and Earth's superheroes. But a story against all the main Marvel's cosmic entities was really a big surprise. And the idea of the gems with different powers, used in amalgam was priceless. And the conclusion is amazing. In the past we had some other great sagas, like Beyonder's saga (Secret Wars, a milestone in Marvel universe...), but nothing like that... Thanos is impressive, smart, brilliant, evil, powerful and sometimes funny. This is one of my favorite villains in comic books and this is my favorite story with him...

- The climax of this book is totally unexpected..You must read the robot novels to fully grasp the end..if you have a copy keep it..Excellent conclusion??to the Foundation books.
