REVIEW OF PRENTICE HALL GOLD ALGEBRA 2

- Very thoughtful person, providing an understandable basis for protecting the far north. Drags toward the end when it gets quite philosophical.
- I was teaching a class entitled "Enhance Your Prayer Life" and some wanted to know exactly how to know God's voice. After the first class, I immediately logged onto Amazon and amazingly, the Lord lead me to this book. What an incredible blessing it was. I ordered 3 to give to participants in the class. This book answered so many questions and just added a blessing to our class. If anyone wonders how to discern the voice of the Lord - read this book.
