REVIEW OF 2002 2003 NISSAN MICRA MODEL K12 SERIES WORKSHOP REPAIR

- I can't remember a book I had looked forward to more than Stones of Summer. Nor can I remember a bigger disappointment. The novel reads is a dated, ungodly mess that never justifies its excessive length. I dare anyone to read all the way to the end.
- For your money, there's lots better books. Anything by Eric Meyer (in particular the Eric Meyer on CSS books from New Riders) is going to be more helpful. I can't believe O'Reilly would put out such a thin volume and call it a Cookbook! It felt like kind of a waste of my money. I would have liked to see twice as many examples, things like images are barely even covered at all.
