The Lost Art of Ray Willner Puffin Books

Collected for the First Time All 14 Beautifully Restored Stories in an oversized format Ray Willner was a casualty of the culture wars. With a comics career dating to 1939, Willner produced impressive work for publishers small and large throughout the 1940s. By 1949 he landed one of the only steady gigs in his career for an unusual publisher: The Brown Shoe Company. While working initially on their Buster Brown Comic Book a giveaway created to drum up business in stores selling Brown's footwear for kids Willner found a simpatico spirit in fellow artist Reed Crandall. Although their collaboration on the Brown Shoe Co. series The Adventures of Robin Hood lasted less than a year cancelled in the wake of the scaremongering backlash against comics in the 1950s the seven issues produced by Willner with Crandall represent a seldom seen high-water mark in comics art. They were the last comics Willner would ever draw. The Lost Art of Ray Willner collects all of those Robin Hood stories for the first time since their original publication in 1956 and includes an introductory essay on Willner's life and career."

Days of old bursting with pageantry, knights, and beautiful maidens return in a superb edition of this favorite classic story.

Children's Classics Penguin

Among the many fine examples of film scores by Erich Wolfgang Korngold (1897-1957), the score for The Adventures of Robin Hood (1938) stands out the most. Winner of the Academy Award(TM) for best dramatic score in 1938, it is seen by many as the archetypal accompaniment to a Warner Brothers swashbuckler, and it established Korngold as one of the leading exponents of film score composition at a formative point in its history. In Erich Wolfgang Korngold's The Adventures of Robin Hood: A Film Score Guide, author Ben Winters uses manuscript and archival research to challenge preconceived notions about the score's composer and its authorship. In the first two chapters, Winters examines Korngold's career on its own and in relation to the film, including his background in composing concert music and opera, his film scoring techniques, and his engagement with the Hollywood studio system. Chapter three focuses on the Robin Hood film while placing Korngold's music in a larger framework. It examines the film's treatment of the Robin Hood legend, its

historical and critical contexts, and its place within the swashbuckler genre and the studio's anti-fascist agenda. While looking closely at the composer's work on this score, chapter four shows sources Korngold used, the music's production process, and the changes the score had undergone. The book concludes with a thematic analysis and reading of the score, identifying the various musical 'voices' that the listener weaves together as he or she experiences the film. This detailed consideration of Korngold's masterpiece will be continually turned to by film and music scholars alike.

The Adventures of Robin Hood Turtleback Books

Robin Hood is champion of the poor and oppressed by 12th-century England against the cruel power of Prince John and the brutal Sheriff of Nottingham. He takes refuge with his Merrie Men in the vast Sherwood Forest, emerging time and again to outwit his enemies with daring and panache. This book presents the story of social justice and cunning.

REVIEW OF THE ADVENTURES OF ROBIN HOOD

- Heim and Hansen have done it again! I bought Free Stuff for Quilters for my wife, and she loves it. We bought Free Stuff for Crafty Kids for our children, and we all love it. The beginning of the book is solid Internet information, the stuff everyone surfing should know. The meat of the book is a large assortment of "crafty" sites for everyone, young and old, of all skill levels. Sure we could find similar sites on our own. But why bother? Heim and Hansen did all the work and leave us with all the fun. I'm making kites with my son. My wife and daughter are polishing their drawing skills and learning about rubber stamping. I highly recommends this book!

- Well all I can really comment is that my dear husband loves the book. He will not speak on it or about it, though. He gave me the title, I ordered the book for him. He read it from cover to cover immediately and placed it away in his secret safe place. I am happy as long as he is happy.
