REVIEW OF EVALUACI N LENGUA CASTELLANA

- This was a great novel, it showed suspense and has a love theme to remember. It is about a young girl named Kit Tyler who was moving from Barbados to her aunt's house in Mass. She has a hard time making friends, for the Puritans believe she is strange from their ways. Read this book to find out what happens to Kit next. You will never forget it!!! by, Allie
- When I first learned that The Princess Bride movie was based on a book, I was curious how the source material would hold up. I mean, the movie was freakin' hilarious! The book did not disappoint. In like manner, reading A Princess of Mars after seeing the movie, John Carter, is like watching the extended version of the film. Just like The Princess Bride, the characters in John Carter are so true to A Princess of Mars that I pictured them as I was reading the book and gained a greater appreciation for each one. Woola in particular was one of my favorites in the movie, and he has so many more cool scenes in the book!Anyhow, all this to say, if you haven't read A Princess of Mars yet, download this FREE Kindle copy and get reading. You'll be glad you did.
