## **REVIEW OF CATCHING FIRE**

## **WORDPRESS**

- I saw this book at a friends house and just had to order it. The pictures are great. And the quilts and wall hangings even nicer!!
- This book is great. It was easy, fun reading - read it cover to cover. I can't wait to get my baby tiel. I have had birds before, so some of the information I already knew. But I did learn alot about the different mutations, behaviors, training, etc. It was worth the money and I highly recommend reading it if you are in the market for a cockatiel.
