REVIEW OF CAMBRIDGE CERTIFICATE IN ADVANCED ENGLISH 5 WITH ANSWERS

- Dr. Emoto broke new ground with this book, which so beautifully shows us the enormous power of love and gratitude.- Robert Schwartz, author of *Courageous Souls: Do We Plan Our Life Challenges Before Birth?*

• I watched the movie based on this story several times and finally found the book it was based on at Amazon. This is my take on the novel. The protagonist is Sinuhe, an Egyptian physician who lived at the time of Pharaoh Akhenaten about 1300 years before Christ. Sinuhe is translated as "he who is alone." The story begins as Sinuhe is an old man writing his memoirs in exile somewhere in what is now known as Palestine. He had been the royal physician but had to flee after the death of Pharaoh Akenaten. Tutankhamen, the boy king, also plays a peripheral part in the tale, but generally the story is a fly on the wall first person view of Egyptian life, art, architecture and religion. The Egyptian is probably one of the first historical novels that gave the life of ancient people in a first person account more or less like what we call a romance novel or boy's adventure story. I would guess that Edgar Rice Burroughs, Jack London, and Herman Melville are likely influences of Finnish author Mika Waltari but the writing of *The Egyptian* is only fair at best. The descriptive passages are the best but the dramatic development is thin. There are fairly uninteresting romantic undertakings of the various characters introduced as the story develops. For those who always complain "the book is better," in the case of this novel I assert that the movie was better. Although not a prizewinner by any stretch of the imagination, the epic movie by Fox used premium inputs like CinemaScope, TechniColor, director Michael Curtiz, and a raft of big stars like Gene Tierney, Jean Simmons, Edmund Purdom, Michael Wilding, Victor Mature, Bella Darvi, and Peter Ustinov. With my knowledge of the film I came expecting a good story to read in the 500 + page novel but found the good parts few and far between. The screenwriters apparently got everything they could out of the book even though the movie was overlong and not always coherent. A product of Chicago Review Press, the novel is paperback, 512 pages, and is suitable for reading on a long trip or if you cannot sleep. I went to sleep with it several times so it does serve for bedtime reading material.
