REVIEW OF CONCEPT DEVELOPMENT PRACTICE PAGE ANSWERS CIRCULAR MOTION

- I did not like this book, it seems as though Tolkien ran out of words, so he started describing things that didn't need describing. The whole boook was good till the middle, it started slowing down, till it became boring. I read the first book in the Lord of the Rings series, and I liked it. But it seems as if Tolkien lost all sense of anything interesting. Don't bother to read this book.

- The Return of the King by J. R. R. Tolkien is about Frodo and all his companions continuing on their way of destroying the Dark. Now Sam and Frodo are on their way to melt the Ring. The rest of the good people are going along, fighting bad guys and getting closer to Sam and Frodo. Will they succeed in beating the Dark Lord? Or will the Dark Lord take over the world?
