REVIEW OF 1990S DOCUMENT BASED QUESTIONS

- My wife and I are in Chapter 8 of the book. We have also personally met two other couples in the book. Having interviewed with the author, we can definitely vouch for the accuracy, as well as her well thought out and careful

presentation of each and every couple and the categories the author placed them in. She easily captures the thoughts and words of the couples within. Her book was a real pleasure to read, and definitely gives hope to those who would love to be given a second chance and meet up with a long, lost love.

- Easy to read with good examples. After reading I bought additional copies for all my managers.
