REVIEW OF ALFRED'S BASIC PIANO LIBRARY THEORY BK 5

- This book is absolutely fantastic! My teen and pre-teen brothers think it's neat, my toddler sisters like me to read it to them while they look at the pictures, and I read it for fun. Excellently drawn, mostly word-for-word excerpts from the book... altogether excellent!
- Was not like they say it should of been. The original was way better. Always be better too.Nothing else to say about it..
