Though we often focus more on the male heroes and villains in the Bible, the pages of Scripture are brimming with women who are edgy, strong willed, and controversial. Far from the stereotype of sweet and submissive, many women of the Bible steal the show despite being cast in the supporting roles. What parts did these women have in the vast family of God? What challenges did they face that we face even today? And what can we learn from them if we allow them to be the three-dimensional people they really were? In *Dynamic Women of the Bible*, the lives of more than fifty biblical women are summoned from their graves to live again by the author who brought you *The Biographical Bible*. Scripture references, biographical profiles, sidebars (featuring twenty additional women of the Bible), discussion questions, and life applications make this book perfect for small groups, Bible studies, book clubs, and personal reading.

Press, Inc

This collection of biographies of brave and brilliant Jewish female role models--selected in collaboration with Ruth Bader Ginsburg and including an introduction written by the iconic Supreme Court justice herself-- provides young people with a roster of inspirational role models, all of whom are Jewish women, who will appeal not only to young people but to people of all ages, and all faiths. The fascinating lives detailed in this collection--more than thirty exemplary female role models--were chosen by Ruth Bader Ginsburg, or RBG, as she was lovingly known to her many admirers. Working with her friend, journalist Nadine Epstein, RBG selected these trailblazers, all of whom are women and Jewish, who chose not to settle for the rules and beliefs of their time. They did not accept what the world told them they should be. Like RBG, they dreamed big, worked hard, and forged their own paths to become who they deserved to be. Future generations will benefit from each and every one of the courageous actions and triumphs of the women profiled here. *Real Wonder Women*, the passion project of Justice Ginsburg in the last year of her life, will inspire readers to think about who they want to become and to make it happen, just like RBG.

Black Man of the Nile and His Family, first published in 1972, is Dr. Ben's best known work. It captures much of the substance of his early research on ancient Africa. In a masterful and unique manner, Dr. Ben uses *Black Man of the Nile* to challenge and expose "Europeanized" African History. He points up the distortion after distortion made in the long record of African contributions to world civilization. Once exposed he attacks these distortions with a vengeance, providing a spellbinding corrective lesson in our story.

Every holiday has two parts: its historical background and its laws. This unique new offering from Shmuel Blitz - especially for children - presents both. He begins by telling us the story. We'll learn the history of the Exodus from Egypt; the heroism of the Maccabees, Chana and her seven sons; and Yehudis; the story of Rabbi Akiva and his rise from unlearned shepherd to the great sage of our people. So it is with every one of our festivals. And then - once we know the story - we learn the laws. Everything is presented simply, accurately, and clearly, in the famous Shmuel Blitz manner. With Tova Katz's beautiful illustrations, it's a treasure house of fun-filled learning. Read it to your little ones. Before long they'll know it by heart and read it to you. Bring a sparkle to your holidays with this hit from a master storyteller.

The Bible has been written by sixty-six male prophets, kings, pharaohs, and New Testament authors. The Bible has been written by men, for men, and about men""like Noah, Abraham, Isaac, Jacob, David, Jesus, and His Apostles. Consequently, the Bible is rather male-oriented, and one can see this in Apostle Paul who says women must not teach, "to be self-controlled and pure, to be busy at home, to be kind, and to be subject to their husbands, so that no one will malign the word of God" (Titus 2:5 NIV). Forgotten Women of the Holy Bible illuminates several outstanding women in Holy Scripture. The author's timeless effort reveals meticulous research and fresh insights into thirty-six important women who have been disregarded, minimized, and

even forgotten in Holy Scripture. Some of these remarkable women are Priscilla, Tabitha, Phoebe, Joana, Lydia, Prophetess Miriam, Judge Deborah, Queen Esther, Prophetess Anna, and a female apostle named Junia" who was in prison with Paul. This treasure of chronicles on special women also includes Mother Mary, her sister, wife of Clopas, and Mary Magdalene who stood at the cross with Jesus, while the apostles were in hiding. After the crucifixion, Mary Magdalene and "the other Mary" bring spices to anoint the body of Jesus. When the tomb is found empty, these two women run to tell the apostles, and the Risen Lord suddenly appears to "them" on the road! The entire event is recorded in Matthew 28:1"10 NIV where the Risen Lord appears to at least two women, perhaps more than two: "Suddenly Jesus met them. 'Greetings,' he said. They came to him, clasped his feet and worshiped him. Then Jesus said to them, 'Do not be afraid. Go and tell my brothers to go to Galilee; there they will see me.'" This Holy Scripture is one of many found in the Bible which have been ignored, disregarded, or totally lost to memory. This Bible Study would benefit Christian pastors, teachers, lay students, men, and women alike.

This report presents elements of the development of Sudanese women's political participation through time. It highlights several political routes from their early days until the contemporary era. The study is based on an analysis of secondary sources alongside empirical data derived from four states within Sudan, namely: Blue Nile, Central Darfur, Kassala and River Nile. Different themes are explored and they include: the meanings of political participation, women's leadership roles, identifying structural limitations that hinder the participation of women in politics, possible avenues for women's participation, the presence of women in politics, variations in religious interpretations and their impact on political participation, the status of the Sudanese constitution and the views of women and men on the extent that women might advance in the next elections. The report also address how the December revolution of 2018 might improve the situation for women's political participation, since it marks a break from the earlier practices of the Islamist regime that had a severe negative impact on the freedoms of Sudanese women and their ability to engage in political activities. Political parties are considered gatekeepers for women's access to political positions of power as they play an important role in institutionalizing women's inclusion in politics. Ensuring that political parties in Sudan play an active role in the advancement of gender equality and the enhancement of women's political participation is particularly important as Sudan prepares for its transition to democracy.

From Herodotus's day to the present political upheavals, the steady flow of the Nile has been Egypt's heartbeat. It has shaped its geography, controlled its economy and moulded its civilisation. The same stretch of water which conveyed Pharaonic battleships, Ptolemaic grain ships, Roman troop-carriers and Victorian steamers today carries modern-day tourists past bankside settlements in which rural life - fishing, farming, flooding - continues much as it has for millennia. At this most critical juncture in the country's history, foremost Egyptologist Toby Wilkinson takes us on a journey up the Nile, north from Lake Victoria, from Cataract to Cataract, past the Aswan Dam, to the delta. The country is a palimpsest, every age has left its trace: as

we pass the Nilometer on the island of Elephantine which since the days of the Pharaohs has measured the height of Nile floodwaters to predict the following season's agricultural yield and set the parameters for the entire Egyptian economy, the wonders of Giza which bear the scars of assault by nineteenth-century archaeologists and the modern-day unbridled urban expansion of Cairo - and in Egypt's earliest art (prehistoric images of fish-traps carved into cliffs) and the Arab Spring (fought on the bridges of Cairo) - the Nile is our guide to understanding the past and present of this unique, chaotic, vital, conservative yet rapidly changing land.

This book is about Christianity, Islam, Judaism, and how the Arabs and Europeans took these Afrikan Religious Belief Systems from ancient Egypt, North Afrika and used them during The Trans-Sahara Afrikan Slave Trade by the Arabs in the name of Allah, and followed by The Transatlantic Afrikan Slave Trade by the Europeans in the name of Jesus, to enslave the bodies, minds, and souls of the Afrikan Race. This book is about the "Jesus' Deception" that has been passed on down through history by European historians, that is still being taught around the world today. This book takes a provocative intellectual, scholastic, historical, cultural, and sociological look at the Bible. This book identifies the names of the translators of the King James Bible of 1611 A. D., and when the chapters and verses in the Bible were created and who created them. The purpose of this book is to expose the historical, cultural, sociological, religious and theological lies of the Europeans and the Arabs. This book reveals the truth of the origination of The Bible, as "There Is No Religion Higher Than The Truth". Join me in an intellectual odyssey through time. Here, I feel like a Lone Warrior standing before a mighty army. Come with me on this perilous pilgrimage as we travel through a parallel universe. I dedicate this book to my mother and father who gave me life. To the rest of my Native Afrikan family for supporting me and encouraging me on this publishing venture. To the Heavenly Father, without whom none of this would be possible. There are others I would also like to thank for being a part of helping me through this journey called Life, such as my professors at the Alabama State University where many a great scholars paths I have crossed. To my American family and friends in Mobile, Alabama who nurtured and taught me from childhood to adulthood. The many friends and colleagues I met in my travels all across America in my intellectual journey, and last but certainly not least, to my publisher for granting me the opportunity to speak to many all around the world in this forum. I am eternally indebted to you all-Thank you.

REVIEW OF NILE RIVER WOMAN THE VERY FIRST POEMS

- I've read several other books recounting native American histories, but Charles Mann has outlined a scenario that consolidates and lends credence to the oral traditions of the disparate groups. 1491 speaks to a history that is pretty much ignored, I suppose to some extent because it is an uncomfortable chapter in American history. Anyone interested in a valid set of theories of world history should consider this book.

- Teresa Medieros is one of my favorite authors--I usually pick up her books just on the basis of her name, knowing I'll find a well-written story laced with humor and romance. But this book was completely disappointing! Compared to her other novels, this one was sorely lacking, in terms of underdeveloped characters and ridiculous plot twists. It just didn't pull me in; the novel is definitely not up to par. Sorry, Teresa, this one just doesn't cut it. Here's to hoping your next novel maintains your usual excellent standard!
