REVIEW OF RAVEN AND JOHNSON BIOLOGY FULL EDITION

- Let me start by saying, I would NEVER have read a "classic" if Oprah did not suggest it.....but this book is WONDERFUL!! The characters are all so richly described and I read it in 1 week. It's a swift read, even though it's 600+

pages, because it's so riveting. While Samuel was my favorite character, Cathy was the girl we all love to hate. I couldn't believe her! If you're scared of buying this book due to it's "classic" status, take it from me: IT'S FANTASTIC!!

- This is my favorite work of fiction, and I think it could be in contention for the best work ever.
