## **REVIEW OF BACK MECHANIC STUART MCGILL 2015 09 30**

- Welcome to the nonsensical ramblings of the Trofim Lysenko of US musicology, Joseph Kerman. The bilious opinions of Kerman, a conformist snob whose lack of depth, judgment or taste is meant to be obscured by relentless aggression and malevolence, are best ignored, or even used as a reverse guide. The opera lover does not need to care about

what this intellectual dwarf has to say. But I pity those for whom Kerman's opinion has ever mattered professionally.

- Do you have a crush on a male singer or a band? Then this book is what you need to read. B.Z. has this major crush on zak who is a real butthead(thats what i think) she does untill she chats with James who is older then her. she has fellings for him but he gets mad at her all the time that is untill the night where zak and his brothers go to the "Teen Musice Awards." i better stop right now
