REVIEW OF EL LIBRO DE GUITARRA LA ETAPA SIGUIENTE APRENDA COMO TOCAR PATRONES Y TABS DE LA ESCALA FACIL Y RAPIDAMENTE

- Great story of the British glider troupes that captured (and then bravely held) the bridge on the eastern edge of D-Day beaches in early hours of June 6, 1944. One of the great rarely-told stories of D-Day. Very easy read, great maps and

photos. Once started, can not be put down!

- I found this to be an excellent book. It was both informative and engaging; something we've come to expect from Stephen Ambrose. I am not an historian, but I have seen and read many

interviews with the principle figures in the book. I believe their personal stories agree - even in the smallest detail - with the story told in this book. In short, if you like history, France, England, Ambrose, or engaging stories you will like this book.
