## **REVIEW OF INTRODUCTION TO MANAGEMENT SCHERMERHORN 12TH EDITION BING PDF**

- Best book to start out with XSLT;quickly takes you to the point where you can put knowledge from the book to work;ALSO - it is very easy to follow the Book on the road BECAUSE it explains exactly what each line of code in examples does;Very thorough analysis and not much mumbo-jambo (as in xslt for dummmies book)
- Night Play is another foray into the mythological world of Dark Hunters and Were-Hunters in New Orleans. This is a pretty decent read; although not my favorite of the series. I liked Vane a lot. He is sweet, caring, and isn't the stereotypical romance hero. I loved getting a few more glimpses into Ash's mysterious character and I am always amused when Simi appears. On the negative side, I didn't like how the hero and heroine had sex as soon as chapter one - it takes away from the allure of the romance.
