## **REVIEW OF EXAMPLE RESEARCH PAPER INTRODUCTIONS**

- This book is on my top ten list of favorite books; it is painful and wonderful at the same time, and I have passed it on to many of my friends. I think that reading this book is a tremendous way to get into someone else's psyche and help us understand other ways of thinking, and to help us re-evaluate our own. If you don't know anything about Jack London, you will be compelled to find out more about him, and to read more of his work.

- I recently ordered New Practical Chinese Reader from Need2 Learn Chinese. Inadvertently, I clicked twice and two orders where sent. Then I clicked again, because I thought I had deleted the first two orders. Anyway, I received three copies of the book. I emailed Need2 Learn Chinese and was told I would receive a refund if books were in good condition. I received the books within a very short period. They were returned and the refund was promptly put back in my account. The people at Need2 Learn Chinese were very friendly and prompt. The book is excellent for learning Chinese. I would definitely do business with Need2 Learn Chinese again.
