#### **REVIEW OF LOGIC AND CONTEMPORARY RHETORIC 11TH EDITION**

- I have been to California and the Sierra Nevada Mountains, but after reading this thought provoking novel I realized I have never been there. Before I was just going through the motions of a tourist. Now when I go back(hopefully this Summer)I am really going to experience the beauty of the mountains and nature. This novel stirred up some very powerful emotions inside of me such as living life how I want to live it, not how everybody else wants me to live it (Up to this point in my life I am not sure I have been doing that). If it was not currently Winter I would be heading toward the American West with my rucksack, ready to climb the mountain. Read this novel I guarantee you it will be a rewarding experience.

- Well I thought I was getting the student edition, but I got the Instructor's edition. I guess I'll have to go back to B&N.
