REVIEW OF SUST ADMISSION TEST CIRCULAR 2016 17 EDUCATION BOARD RESULT

- I read this book almost 10 years ago, but it remains very vivid in my mind because of the strong imagery, the simple language, and the beautiful but

sad story. All I can think of is how so short and simple a book can pack so much human drama in it. To this day, it still gives me materials to think about. I didn't know that the story was semi-autobiographical until later, but I thought so just from reading it because it so intimately describes the young girl's feelings that it would be impossible to make it all up. The description of the crossing of the Mekong River in the beginning will always remain in my mind. So simple, so elegant, and so strong an image. The book was like a beautiful, impressionist painting. There is also a movie by the same title that comes close to capturing the beauty of

the book, but of course, nothing can compare to the actual words of Marguerite Duras, a beautiful and mysterious woman shaped by the events of this book. To get to the truth of her life, one must read and interpret this book on their own.

- Both my sister and I read this book at our grandparents house in the 1950s and had the exact same reaction: we loved it! It was a very well-written book that changed our minds totally about snakes. It's one of several childhood books I read that I remember with great fondness as being books that opened my eyes to a subject most people do not want to consider.
