REVIEW OF THE SHAMBLING GUIDE TO NEW

YORK CITY THE SHAMBLING GUIDES BOOK 1

- I'm a person who judges a book by its cover so when I first seen this I was like naw no way was I going to read this then 4 years later I was bored with nothing to read then I read it was

surprisingly wonderful and full of excitement I know this sounds corny and not original but you're not going to want to put this down !

- Bought 2 sausage books at the same time and liked the other one much better.
