Libya in Western Foreign Policies, 1911-2011 Rubbettino Editore

Italy's foreign policy has often been dismissed as too idiosyncratic, inconsistent and lacking ambition. This book offers new insights into the position Italy has attained in the international community in the 21st century. It explores how the country has sought to take advantage of its passage from a bipolar to a multipolar system and assesses the ways in which it has engaged internationally, its new responsibilities, and the manner in which it conducts its policies in the pursuit of its interests, whether political or commercial. It argues that although Italy is engaged internationally, there is a gap between its actions and what it actually delivers, and as long as this gap continues Italy is likely to remain a partial and unreliable foreign policy actor. Divided into three parts, this book explores: the context and processes which characterise Italy's external action its relations with crucial countries and regions such as the US, the EU, and the BRICs its security and defence policies. This book will be of interest to students and scholars of European Politics, Foreign Policy analysis and Italian studies.

1860-1995 Oxford University Press

This book explains Italy's endless political instability and its historical, cultural and economic roots. It also illustrates why, even after the creation of the Italian state, Italy was never really unified. Piero Gobetti described fascism once as the "autobiography" of the Italian nation. This book explains why today it is possible to describe "berlusconism" - a cultural, political and social phenomenon in Italy- as the most recent version of this country's autobiography.

Storia d'Italia Univ of California Press

Italy played a vital role in the Cold War dynamics that shaped the Middle East in the latter part of the 20th century. It was a junior partner in the strategic plans of NATO and warmly appreciated by some Arab countries for its regional approach. But Italian foreign policy towards the Middle East balanced between promoting dialogue, stability and cooperation on one hand, and colluding with global superpower manoeuvres to exploit existing tensions and achieve local influence on the other. Italy and the Middle East brings together a range of experts on Italian international relations to analyse, for the first time in English, the country's Cold War relationship with the Middle East. Chapters covering a wide range of defining twentieth century events - from the Arab-Israeli conflict and the Lebanese Civil War, to the Iranian Revolution and the Soviet invasion of Afghanistan - demonstrate the nuances of Italian foreign policy in dealing with the complexity of Middle Eastern relations. The collection demonstrates the interaction of local and global issues in shaping Italy's international relations with the Middle East, making it essential reading to students of the Cold War, regional interactions, and the international relations of Italy and the Middle East.

Events and Interpretations Routledge

This book provides an enlightening comparative analysis of Japan's and Italy's political cultures and systems, economics, and international relations from World War II to the present day. It addresses a variety of fascinating questions, ranging from the origins of the authoritarian regimes and post-war one-party rule in both countries, through to Japan's and Italy's responses to the economic and societal challenges posed by globalization and their international ambitions and strategies. Similarities and differences between the two countries with regard to economic development models, the relationship of politics and business, economic structures and developments, and international relations are analyzed in depth. This innovative volume on an under-researched area will be of great interest to those with an interest in Italian and Japanese politics and economics.

The Six and the First UK Application to the EEC Taylor & Francis

Dal Trattato di Versailles al Piano Marshall, la gestione del debito ha rappresentato da sempre uno dei motori fondamentali della politica europea. Sergio Romano, osservatore d'eccezione, ce ne mostra tutta la complessità nell'ultimo secolo e mezzo, evidenziando le interdipendenze tra i Paesi, l'importanza della fiducia reciproca per avviare la ripresa e che cosa abbiamo da imparare dalla nostra storia recente per costruire un futuro migliore. Col Trattato di Versailles, al termine della Grande

guerra, la Germania è condannata a pagare in trent'anni 132 miliardi di marchi d'oro. Le conseguenze della miopia dei vincitori emergono presto: una Germania frustrata e indignata diventa il vivaio ideale per la nascita del nazismo. Dopo la Seconda guerra mondiale tutto cambia: il Piano Marshall finanzia la ricostruzione europea e, più tardi, nella conferenza di Londra del '53, i Paesi creditori decidono di cancellare metà del debito tedesco. Ma non esistono solo i debiti di guerra, ci sono anche quelli contratti in tempo di pace. L'Europa degli anni più recenti ha affrontato la questione senza riuscire a dimostrare unità. Il caso del debito greco esplose nel 2009, seguito da una crisi di rapporti greco-tedeschi: la Grecia accusa la Germania di non aver onorato i debiti contratti con la guerra, mentre i tedeschi accusano la Grecia di aver truccato i conti. L'Unione vacilla sotto il peso della crisi. Oggi, per capire le polarizzazioni e i contrasti sulle politiche dell'austerità è fondamentale isolare gli snodi storici che hanno definito i rapporti tra creditori e debitori in Europa. È quello che fa Sergio Romano attraverso gli ultimi centocinquanta anni, sottolineando come la fiducia reciproca tra i popoli abbia svolto una funzione fondamentale per superare i momenti di difficoltà e avviare la ripresa.

A Contested Nature? FrancoAngeli

"This impressive volume succeeds in bringing Italian colonialism into the space of today's most important debates regarding colonialism and multiculturalism."—Graziela Parati, author of *Mediterranean Crossroads* "A significant collection that really has no equal to date. The essays in this volume investigate profoundly the relationship between Italian colonialism and Italian society, past and present."—Anthony Tamburri, author of *A Semiotic of Rereading*

Religion, Politics and Law in the European Union Routledge

È ormai giunto il tempo di capire appieno chi è stato Aldo Moro e, in questo modo, di comprendere meglio quel decisivo periodo della storia d'Italia di cui egli fu certamente un protagonista. È questa la duplice convinzione alla base della presente pubblicazione, una delle più articolate ed ampie dedicate sin qui a Moro. Essa, infatti, raccoglie i saggi di oltre 40 studiosi e ricercatori di circa 30 istituzioni di ricerca, presentati in occasione del convegno «Studiare Aldo Moro per capire l'Italia», tenutosi a Roma nel maggio del 2013 e promosso dall'Accademia di Studi Storici Aldo Moro. Il volume rappresenta uno dei frutti di un nuovo

clima, una sorta di «svolta storiografica», in cui sono finalmente maturate le condizioni materiali, scientifiche e culturali perché fosse possibile un'indagine storica su Moro. Tutto questo contribuisce anche a superare i luoghi comuni e i giudizi spesso affrettati, parziali o dettati da esigenze di polemica politico-culturale che si sono coagulati in questi anni sulla sua figura, nonché a bilanciare il peso sovrachiaro sin qui attribuito alle tragiche vicende legate alla sua morte rispetto all'insieme della sua vita, del suo pensiero e delle sue opere. I saggi contenuti nel libro permettono di restituire a Moro la sua propria voce e di collocarlo nel suo tempo e nel suo secolo, in quanto figura centrale per ogni interpretazione dell'Italia contemporanea, anche nel contesto europeo ed internazionale. Utilizzando ricerche di prima mano, spesso realizzate su fonti inedite, i contributi raccolti consentono anche di gettare nuova luce su molte delle questioni ancora aperte relative all'azione dello statista e soprattutto di fornire elementi per capire se e in che misura egli sia stato portatore - come diversi studiosi tendono oggi a pensare - di un complessivo "progetto" di governo e di orientamento della società italiana il quale, a causa della sua prematura scomparsa, si sarebbe drammaticamente interrotto.

dirigisti, liberisti e Mercato comune europeo, 1953-1958
Cambridge University Press

Il confine orientale può essere considerato come uno spazio in cui per secoli si sono intrecciate e sovrapposte molteplici frontiere, di natura politica, culturale, religiosa e infine nazionale. Un luogo non solo fisico, in quanto parte dell'Adriatico e in sostanza limine fra la penisola italiana e quella balcanica, ma anche cesura tra l'Europa occidentale e quella orientale in senso generico. Proprio in quanto superficie di rottura, il confine orientale rimane certamente un nodo caratteristico nella storia d'Italia. Collocato geograficamente dalle sponde del fiume Isonzo alla displuviale alpina orientale, racchiude il Carso (triestino e goriziano) e la penisola istriana sino a Fiume e al litorale dalmata con i suoi arcipelaghi di isole fino a Cattaro. In esatta sintonia con i numerosi contrasti confinari avvenuti in Europa fra la seconda metà del XIX secolo e la prima del XX, la storia del confine orientale italiano perdura come tentativo emblematico di fissare all'interno di una regione multiforme ed eterogenea per vicende e popoli una frontiera egemonica. Limite mutevole perché sempre fissato su termini ideologici e proprio per questo di perpetua ardua demarcazione. Nel più generale panorama storiografico sulla questione, il volume intende porsi quale strumento accessibile anche a un pubblico non specialistico interessato alle tematiche istriano-dalmate. Dalla pace di Campoformio ai fermenti irredentisti di fine Ottocento, dalle rivendicazioni seguite alla Grande guerra sino alla politica fascista e all'esodo giuliano, il saggio approfondisce lo scenario diplomatico internazionale con le sue implicazioni - prima e dopo - la Seconda guerra mondiale per seguire (grazie a una ricca messe di riferimenti bibliografici italiani e stranieri) l'evolversi delle contese per la definizione confinaria. L'autore considera i molti aspetti endogeni ed esogeni in costante azione nell'area considerata, giungendo all'epoca più recente, dopo la crisi della Jugoslavia, ed esaminando i rapporti con l'Unione europea, la cooperazione interstatale e la politica culturale in atto fra Italia, Slovenia e Croazia.

L'Italia in trasformazione Berghahn Books

Based on an analytical evaluation of both the weaknesses and strengths of the Italian political system, Italy in the European Union is the first book to offer a detailed and comprehensive description of Italy's contribution to European Union policy-making. The contributors to this volume systematically explore the role played by Italian institutional and noninstitutional actors

in several decision-making processes. They show how Italian institutional actors define and promote national policy preferences that are compatible with those of the other European member states. However, the book functions on two levels: it is both a nuanced picture of Italy's role in the EU and a study of the EU as it has been transformed by subsequent waves of enlargement. In a compound polity of twenty-seven member states the formation of stable hegemonic coalitions is implausible-the concept of national interest, which still informs much of the literature on the EU, is logically and empirically unusable in many EU policy realms. Combining empirical investigation and theoretical analysis, this book is indispensable for scholars, students, and practitioners who study or observe Italian politics. It is also necessary for those who want to understand the transformation of European politics and the European Union's increasing development as a compound polity. Contributions by: Marco Brunazzo, Maurizio Carbone, Sabrina Cavatorto, Vincent Della Sala, Alessia Donà, Sergio Fabbrini, Paolo Foradori, Giorgio Giraudi, Renata Lizzi, Simona Piattoni, Paolo Rosa, Stefano Sacchi, Alberta M. Sbragia, Daniela Sicurelli, and Luca Verzichelli

Dall'Unificazione all'Unione Edizioni Studium S.r.l.

Peace support operations are one of the most important tools in the foreign policy of Western democracies. This book is a study of Italian military operations in the last twenty years. Italy's operations are examined through an analysis of parliamentary debates and interviews with leading policy-makers.

Italy and the Middle East Rowman & Littlefield

EU enlargement - to countries in Central and Eastern Europe in 2004, the inclusion of Bulgaria and Romania in 2007, and increasing debates on Turkey's membership - has dramatically transformed the European Union into a multi-religious space. Religious communities are not only shaping identities but are also influential factors in political discourse. This edited volume examines the activities of religious actors in the context of supranational European institutions and the ways in which they have responded to the idea of Europe at local and international levels. By bringing together scholars working in political science, history, law and sociology, this volume analyses key religious factors in contemporary EU architecture, such as the transformation of religious identities, the role of political and religious leaders, EU legislation on religion, and, the activities of religious lobbies. This book was published as a special issue of Religion, State and Society.

The End of the Berlusconi Era? Routledge

This innovative text offers a completely fresh approach to Italian politics by placing it in its historical, institutional, social and international contexts. Students will get to grips with the theories and concepts of comparative politics and how they apply specifically to Italy, while gaining real insight into more controversial topics such as the Mafia, corruption and the striking success of Berlusconi. The textbook uses clear and simple language to critically analyze Italy's institutions, its political culture, parties and interest groups, public policy, and its place in the international system. Often regarded as an anomaly, Italy is frequently described in terms of 'crisis', 'instability' and 'alienation'. Sceptical of these conventional accounts, Newell argues that, if understood in its own terms, the Italian political system is just as effective as other established democracies. With features including text boxes and further reading suggestions, this is an unbeatable introduction to the politics of Italy.

VARIOUS SORTS OF BOOK REVIEWS

Storia del Novecento italiano Bur

In this 1997 book, the author examines Britain's first application to join the European Community in 1961.

Guida alla politica estera italiana Routledge

This book demarcates the barriers and pathways to major power security cooperation and provides an empirical analysis of threat perception among the world's major powers. Divided into three parts, Emil Kirchner and James Sperling use a common analytical framework for the changing security agenda in Canada, France, Germany, Italy, Japan, the Russian Federation, the United States, the United Kingdom, and the EU. Each chapter features: an examination of national 'exceptionalism' that accounts for foreign and security policy idiosyncrasies definitions of the range of threats preoccupying the government, foreign policy elites and the public assessments of the institutional and instrumental preferences shaping national security policies investigations on the allocation of resources between the various categories of security expenditure details on the elements of the national security culture and its consequences for security cooperation. Global Security Governance combines a coherent theoretical framework with strong comparative case studies, making it ideal reading for all students of security studies.

Visions, Votes, and Vetoes Rubbettino Editore

This book offers a re-examination of foreign policy, in its relation with domestic politics and international relations (IR). Bringing together a vast body of literature from IR, foreign policy analysis, comparative politics and public policy, this book systematically reconceptualises foreign policy as a dialectic, produced by the interplay of context, strategy and discourse. It argues that foreign policy defies easy understandings and necessitates a complex framework of analysis, introducing the 'Strategic-Relational Model', as conceptualised in critical realism, for the first time to the field of foreign policy analysis. Combining a comprehensive investigation of the last century of Italian foreign policy with an

exploration of a key theoretical issue within the field of foreign policy analysis and IR, this book analyses key episodes within Italian foreign policy, including Italy's Cold War alliance politics, colonial interventions, fascist foreign policy and Italy's participation in the wars of Kosovo, Iraq and Afghanistan. It provides a comprehensive and up-to-date account of the long-term historical trajectory of Italian foreign policy, from the Liberal age to the 'Second Republic', including all four governments of Silvio Berlusconi. Foreign Policy, Domestic Politics and International Relations will be of interest to students and scholars of International Relations, Foreign Policy Analysis and Italian politics.

The Empty Chair Crisis and the Luxembourg Compromise Forty Years on Routledge

This book analyzes the influence of Italy's strategic culture on its foreign policy. It conducts an exploratory case-study to show if hypotheses generated by the strategic culture approach can shed some light on the puzzling Italian behavior in the international arena, as Italy shows a less assertive foreign policy vis-à-vis other middle powers in the same rank.

Italian Military Operations Abroad Peter Lang

"Published in collaboration with the Ca'anada Blanch Centre for Contemporary Spanish Studies."

Italy in the European Union Routledge

Agli inizi del Novecento, nonostante l'unità politica raggiunta nel 1861, gli italiani restavano per lo più estranei tra loro: sudditi dello stesso re, ancora privi dei diritti, delle libertà e dell'istruzione per essere a tutti gli effetti cittadini del nuovo stato. L'Italia era un paese contadino e in gran parte analfabeta. Questo libro narra le tappe del difficile percorso per conquistare una piena cittadinanza: dai primi passi verso la democrazia nell'Italia liberale alla dittatura fascista, dalla costruzione della Repubblica democratica fino a oggi, passando per due conflitti mondiali, una guerra civile e quasi mezzo secolo di guerra fredda. E insieme il passaggio da società rurale a società industriale, i mutamenti di tradizioni, costumi, ideali e ideologie. Un secolo denso di avvenimenti e personaggi, soggetto a interpretazioni controverse. Simona Colarizi tiene presente questo cospicuo patrimonio storiografico e ci presenta un agile racconto rivolto anche a un pubblico di lettori non specialisti, in particolare i giovani che di questo secolo non hanno quasi ricordo diretto.

Overall, publication evaluations have a considerable effect on the literary world and are crucial for both viewers and sector professionals. By sharing our thoughts and recommendations, we can help to form the future of the publishing sector and support our favorite authors.

WHERE TO LOCATE RESERVE TESTIMONIALS OF GUIDA ALLA POLITICA ESTERA ITALIANA DA BADOGGIO A BERLUSCONI

REVIEW OF GUIDA ALLA POLITICA ESTERA ITALIANA DA BADOGLIO A BERLUSCONI

• Both a romance, travel, survival and family drama "Catherine's Travels" has something for everyone. Catherine and her family

are traveling by wagon train with about 20 other families through the old west when they are attacked by natives. Catherine and her small brother are away from the caravan when the fight takes place and manage to survive by hiding in the bushes by a river. Alone in the wilderness Catherine must learn the skills necessary to feed, cloth and shelter herself until she is rescued. But for Catherine survival is not enough, she has the heart and soul to do so much more, and does. As we watch Catherine come of age in an abandoned cabin we see the development of a strong will and heart. Calling upon the lessons she learned from her father she creates a life for herself learning the skills she will need not only to feed and shelter herself but to become a part of society and fall in love. A historical fiction and romance this is a novel that celebrates life and the strength of women throughout the ages. A lovely story it captivates and charms. This is book one in a trilogy and is complete in itself and can be read as a stand alone story, but there is one thread left open that leads to the next in the series. Karen Bryant Doering, Parents' Little Black BookMistBlueEeyore@gmail.com

• We obtained a copy of this book from our local library and enjoyed it so much that I bought two copies, one for myself and the second for my 22 yr old daughter. She has already made 4 items from the book and comments on how great that the book walks her through the more advanced stitches, she is making her first sweater. I am also enjoying using some of the more elaborate looking patterns.
