Petals On The River

## REVIEW OF PETALS ON THE RIVER

- I've had a session of rewarding myself by rereading some of the books I thoroughly enjoy recently, and as the reviews now link up with each other I thought I'd mention a few. SHEILA BISHOP's No Hint of Scandal is one of them. The book is set in the country, the major characters are three brothers, Richard, lord of the manor, and now a widower, Theo vicar of the parish, and Verney the younger brother who has not been quite as respectable as Louisa, Theo's wife might wish. The plot twists back and forth. Even some interesting attempts at blackmail.From the back of the book....No scandal has cast a shadow over the Capel family for at least three generations. So when Verney Capel is forced to resign from his regiment, his family are not very pleased - especially when he plays fast and loose with the affections of Harriet Piper, a local heiress. Harriet longs to be loved, but she is unable to compete with fascinating Julia Johnson. There is some sort of mystery about Julia, but by the time it begins to come out she has married into the Capel family, and what can be done to stave off disaster? Harriet ventures into the fray and makes some astonishing discoveries...

- When young Lord Adrian Maplethorpe proclaims to his mother that he wishes to marry a young lady from a gaming house, she is both floored and horrified. It's obvious to her that the girl must only want him for his money and title. And so Lady Maplethorpe immediately sends for her nephew, Max Ravenscar, to talk some sense into Adrian. He too is surprised at the news and decides to take a look at this girl himself.Max marches himself on down to St. James Square to the home-turned-gaming house of Eliza Bellingham in the hopes of meeting Ms. Deborah Grantham, Ms. Bellingham's niece and object of Adrian's affection.However, the girl he encounters is not the girl he had imagined. Beautiful, funny, smart and not in the least the loose, vulgar thing he was expecting - she quite takes him by surprise. Their first meeting leaves him unsatisfied and eager to find out more about her. They meet up again and Max unveils his proposal to pay her off to stay away from his cousin and that is when things get good!Deb is utterly offended and beyond rage at Max's offer and vows revenge. In a nutshell she tells him to take his money and shove it! She'd even go as far as taking Adrian up on his offer (even though shew had no intention before), even if it meant his ruin, just to spite the "most hateful, odious man I have ever met in my life". Max is flabbergasted at her rejection! What is this woman up to? She must be holding out for more money, of that he is certain. Thus begins a tug-of-war of wills between Max and Deb.What follows is an endearing and humorous story of two people who drive each other absolutely crazy and end up falling in love.Faro's Daughter is the first novel I have read by Georgette Heyer, the Mother of Regency romance and I can tell you with a certainty that it will not be the last! I'm not usually a romancy kind of gal, but I have to admit that I really enjoyed this novel. It was a light, funny read with memorable characters and some kidnapping thrown in for good measure.I recommend this book to any reader, of any age that likes a nice, sweet story of the heart.Amy says: 5/5
