REVIEW OF BUSINESS PSYCHOLOGY AND ORGANIZATIONAL BEHAVIOUR

- Hola fellow readers, For my British Literature 2 class in college, we had to choose an outside novel to read for class. I chose to read Forester's A Room With a View. I must say that I was amazed at how quickly I was caught up in the story. I felt as though I myself was a character within the book. I would recommend this book to anyone. It is a wonderful read. Very simple, yet so complex at the same time. I plan to read many more of Forester's works by the pool this summer!
- I just finished reading this & was thrilled with the ending! To be allowed to follow your heart, aren't we glad we are entering the 21st Century! It is great to have these classic books rereleased for enjoyment by current and future generations. If you liked Pride & Prejudice, The Scarlet Pimpernel or Sense & Sensibility you will truly enjoy this book!
