### The Flavor Thesaurus Dessain et Tolra

A delightful volume devoted to the delicate, charming treats that are the soul of France's neighborhood patisseries. With Felder's expert guidance, any home cook can now re-create the sweet enchantments and small indulgences that are the hallmark of many a holiday in France. Christophe Felder, along with his longtime collaborator, Camille Lesecq, are back with a new volume that focuses upon the delightful small pastries that are one of the highlights of the art of French baking. Both children and adults adore these often bite-size indulgences. Included here are all the fundamental recipes--the classics and the traditional favorites--along with original, inventive creations. Recipes include amandines, babas, biscuits, bostocks, creams, croquantes, croustillons, financiers, flans, madeleines, Alsatian manderlis, Napoleans, petits fours, sablés, tartlets, and much more. The book opens with a section on twenty-seven base recipes from which all others can be made, including pâte brisée, pâte sucrée, sablé breton, dacquoise, pâte à choux, feuilletée rapide, and crème pâtissière. It is then divided into chapters of increasing complexity, with a final chapter on "funny" cakes--playfully decorated small cakes designed to delight children or for parties. Each recipe comes with precise preparation and cooking times, step-by-step decorating tips, and suggestions for vegan and gluten-free alternatives--this seemingly petite package contains a wide range of sweet and simple pleasures to delight big and small gourmets alike.

### Magical Recipes Inspired by Harry Potter, The Hobbit, Fantastic Beasts, The Chronicles of Narnia, and More Bloomsbury Publishing USA

A book full of delicious ideas for baking and decorating a huge variety of yummy cakes. Instructions for decorating techniques and recipes for different icing and topping recipes help make each tasty

treat look like it's straight out of the baker's.

*The Easiest French Cookbook in the World* Hachette Pratique

" La pâtisserie est une affaire de tendresse maternelle. Je veux que mes gâteaux réconfortent les gens, qu'ils leur apportent de la douceur. " La pâtisserie, un condensé d'émotions... S'il s'exprime aussi bien en cuisine qu'en chocolaterie, Cyril Lignac nous ouvre ici les portes de sa pâtisserie pour mieux nous livrer son savoir-faire au cœur de notre quotidien. Avec Benoît Couvrand, grand pâtissier et complice créatif, il imagine 55 recettes sous le signe de la simplicité et de la proximité : classiques revisités, petites douceurs, gâteaux de saison... Les pâtisseries quittent leur vitrine pour embaumer les foyers des meilleurs parfums : ceux du goût, du plaisir et de la joie partagés.

*Mon Livre de Recettes - Version Pâtisserie* Hachette Pratique

Après Le Grand Livre de cuisine, voici l'art des douceurs selon Alain Ducasse et Frédéric Robert. Pâtisserie, viennoiserie, boulangerie, confiserie, travail du chocolat, des glaces et des sorbets, des fruits et des arômes : rien n'y manque, tant les recettes classiques et les bases que des créations audacieuses portant la marque d'un style concentré et architecturé. Cette " cuisine du sucré " est en continuité parfaite avec l'art du salé ; un bon repas est un plaisir harmonieux, et l'arrivée du dessert ne doit provoquer aucune rupture de ton. Ce livre à la fois technique, encyclopédique et inspiré est aussi un livre de gourmandise ouvert sur le monde, proposant de nombreux desserts d'ailleurs (Italie, monde anglo-saxon...). La structure de l'ouvrage, basée sur les ingrédients, reflète la philosophie d'Alain Ducasse : la technique ne doit pas dissimuler le produit mais le mettre en valeur, respecter sa nature propre. Au fil des recettes, on peut s'initier à ce savoir-faire à la fois ancien et nouveau, cultivant la justesse des proportions et laissant aux choses " le goût de ce qu'elles sont ". On évite l'excès de sucre, on recherche l'intensité des saveurs, la texture et la légèreté, la rapidité d'exécution. La pâtisserie est un art précis, mais aussi spontané et immédiat. Ce livre est la synthèse de la tradition pâtissière et de la modernité.

*French Pastry Master Class* Clarkson Potter

Desserts faciles pour débutant, LE livre pour les amateurs de desserts ! Découvrez 100 recettes irrésistibles sélectionnées avec soin qui vous feront plonger dans la gourmandise, avec au sommaire des délices sucrés à savourer au goûter ou en dessert. ### **REVIEW OF LIVRE DE RECETTE PATISSERIE**

- If your in the mood for a road-map of the future printed in the past this is something you might want to unfold. Resorting to a whacky, light-hearted, tone writer David Cohen sets the paces and flavours, the guiding lines and the planned improvements to the coming years, never refraining from

penning his comments to vivify the words of the probable or predicted worlds.

- What if, someone asks, life in of itself has no meaning? And what if there were nothing, no savior, no relief, no narcotic or dream--nothing--! to keep us from falling into life's absurdities, crazinesses, meaninglessnesses...Would it still be worth living to its fullest? Frankl says of course it is, if we could just keep our hearts hopeful. (My interpretation is, "Things'll be better, if I can make it to Thursday".) Do you see? In spite of the philosophical/scientific lingo on his chapters on logotherapy and the fact that perhaps we'll never be in such dire circumstances as he experienced at the concentration camps, Frankl is telling us, if anything, life is worth living because of all the good things and good people that are here around us and that we can find...even during genocide or war or personal trauma. The Meaning is clear when you reach to find it. But you must reach.
