REVIEW OF PRACTICAL ANGEL MAGIC OF DR JOHN DEE S ENOCHIAN TABLES

• Gone With the Wind is, obviously, my favorite book ever, but I truly believe it is one of the best ever written. I read this book when I was 12 years old, and I finished it in four days. I was so entirely engrossed in the setting, characters, and plot that I could honestly, literally just NOT put it down. Although the issue of which I am about to address did not bother or offend me in the least, however I am not racist or pro-slavery, I will talk about this in hope of enlightening a few more people and maybe helping to share the magic of GWTW. Sure, there are some things relating to racism, and of course to slavery, but I don't see why people are so offended by this. Yes, racism is wrong, and the way some slave owners treated their slaves, and how whites treated blacks, was absolutely horrifying, but, this is only a book. Slavery has long since been abolished and racism is now, thankfully, dwindling to almost nothing. At first, I'll admit, I was not fond of Scarlett, but after a while, I became used to her ways, and I really became absorbed into the book and felt as though I was walking in her shoes, and I understand why she did some things she did. The character development in this book is amazing; so is the extensive description. Gone With the Wind is such an amazing book for many reasons, but for me it has to be the ability which Mitchell has to take her readers into the story as though they were living the events themselves. I also loved the desperation and want Scarlett felt for Rhett as she realized she truly loved him, and of course, their stubborn relationship before they were married. There is not much more I can say that hasn't been said, except this: for hopeless romantics and avid readers (of which I am both), you will surely love GWTW. For everyone else: keep an open mind while you read. Remember that times have changed drastically and try to imagine if you were Scarlett yourself. Also, dive in the culture in which this book was written. Even if you don't agree with it, I believe everyone deserves an enjoyable read from of Gone With the Wind.

• Again another product that translates poorly to the Kindle. Mainly images and unable to zoom them usefully. Do not purchase these for the Kindle.
