You Can't Take An Elephant On the Bus Macmillan

A young elephant named Ellie living in Thailand dreams of joining the elephant polo team and playing in the Elephant Cup polo tournament, but her parents want her to work in the rice fields. Will she realize her dream of playing elephant polo? Book two in the World Adventurers for Kids Series, "Ellie the Elephant" is an illustrated picture book that encourages children to follow their dreams. Inspired by the author's adventures in Thailand and real elephant polo matches, the story features Ellie the Elephant and her family, Monk the Monkey, and human boys Wasan and Wattana. Fun for kids and adults alike, the story will introduce them to the amazing game of elephant polo and inspire children to dream big.

[My Life with the Herd in the African Wild](#) NYU Press

Abandoned by his mother in an Acadia National Park campground, Jack tries to make his way back to Boston before anyone figures out what is going on, with only a small toy elephant for company.

The Elephant's New Shoe Dutton Adult

"Maybe I can help!" exclaimed Arthur. At least he hopes he can. But how? What does this forgetful elephant need? Arthur doesn't know, but he's determined to find out as he and the elephant share a playful and colorful day. Arthur and the Forgetful Elephant explores memory loss from the perspective of both those who forget and those around them. With spare writing and poignant art, this story reminds us that compassion and togetherness can make even elephant-sized problems seem a little smaller.

A Book of Shapes and Surprises Mighty Media, Inc.

When South African conservationist Lawrence Anthony was asked to accept a herd of "rogue" wild elephants on his Thula Thula game reserve in Zululand, his common sense told him to refuse. But he was the herd's last chance of survival: they would be killed if he wouldn't take them. In order to save their lives, Anthony took them in. In the years that followed he became a part of their family. And as he battled to create a bond with the elephants, he came to realize that they had a great deal to teach him about life, loyalty, and freedom. The Elephant Whisperer is a heartwarming, exciting, funny, and sometimes sad account of Anthony's experiences with these huge yet sympathetic creatures. Set against the background of life on an African game reserve, with

unforgettable characters and exotic wildlife, it is a delightful book that will appeal to animal lovers and adventurous souls everywhere.

Inspired by a True Story Indiana University Press

You can't take an elephant on the bus ... It would simply cause a terrible fuss! Elephants' bottoms are heavy and fat and would certainly squash the seats quite flat. Never put a camel in a sailing boat, or a tiger on a train, and don't even THINK about asking a whale to ride a bike ... This riotous picture book is filled with animals causing total disaster as they try to travel in the most unsuitable vehicles. A real romp of a book, with hilarious rhyming text and spectacular illustrations.

Elephant Coloring Book for Adults Houghton Mifflin Harcourt

When her lover is abducted, a psychiatrist is plunged back into the hunt for a group of killers-one of whom may be her former mentor. Relegated to civilian life following her work with the FBI, Kirsten Leone is pursuing a new romantic relationship with Agent Ken Wiley and eagerly awaiting news that her former mentor, Malcolm Johns, has been apprehended for his role in a string of brutal killings. However, when Ken is abducted while following a lead, Kirsten resumes her investigation despite the objections of the new agent in charge. She travels South to revisit the places where everything began, and old friends point her toward startling revelations about the Tobias family and the origins of her former mentor. Now Kirsten must question everything about Malcolm-and her feelings for him.

EASE WITHIN YOUR REACHES

The Magician's Elephant Simon & Schuster

No one sees the world quite like John Gimlette. As The New York Times once noted, “he writes with enormous wit, indignation, and a heightened sense of the absurd.” Writing for both the adventurer and the armchair traveler, he has an eye for unusually telling detail, a sense of wonder, and compelling curiosity for the inside story. This time, he travels to Sri Lanka, a country only now emerging from twenty-six years of civil war. Delving deep into the nation’s story, Gimlette provides us with an astonishing, multifaceted portrait of the island today. His travels reveal the country as never before. Beginning in the exuberant capital, Colombo (“a hint of anarchy everywhere”), he ventures out in all directions: to the dry zones where the island’s 5,800 wild elephants congregate around ancient reservoirs; through cinnamon country with its Portuguese forts; to the “Bible Belt” of Buddhism—the tsunami-ravaged southeast coast; then up into the great green highlands (“the garden in the sky”) and Kandy, the country’s eccentric, aristocratic Shangri-la. Along the way, a wild and often desperate history takes shape, a tale of great colonies (Arab, Portuguese, British, and Dutch) and of the cultural divisions that still divide this society. Before long, we’re in Jaffna and the Vanni, crucibles of the recent conflict. These areas—the

hottest, driest, and least hospitable—have been utterly devastated by war and are only now struggling to their feet. But this is also a story of friendship and remarkable encounters. In the course of his journey, Gimlette meets farmers, war heroes, ancient tribesmen, world-class cricketers, terrorists, a former president, old planters, survivors of great massacres—and perhaps some of their perpetrators. That’s to say nothing of the island’s beguiling fauna: elephants, crocodiles, snakes, storks, and the greatest concentration of leopards on Earth. Here is a land of extravagant beauty and profound devastation, of ingenuity and catastrophe, possessed of both a volatile past and an uncertain future—a place capable of being at once heavenly and hellish—all brought to vibrant, fascinating life here on the page.

Small as an Elephant Bloomsbury Publishing

A landmark bestseller in Italy, *I Was an Elephant Salesman* gives a name and a face to the thousands of anonymous African street vendors in cities across Europe. Through the voice of a thinly veiled first-person narrator, Pap Khouma offers us a chilling, intimate, and often ironic glimpse into the life of an illegal immigrant. Khouma invents a life for himself as an itinerant trader of carved elephants, small ivories, and other “African” trinkets, struggling to maintain courage and dignity in the face of despair and humiliation. Constantly on the run from the authorities, he finds insight into the vicissitudes of law and politics, the constraints of citizenship, national borders, skin color, and the often paralyzing difficulties of obtaining basic human needs. His story reveals a contemporary Europe struggling to

come to terms with its multiracial, multireligious, and multicultural identity.

Discover This Children's Elephant Book Createspace Independent Publishing Platform

From stopping wildfires to planting seeds, one animal is the true superhero that keeps the African savanna in balance. Elephants dig to find salt for animals to lick, their deep footprints collect water for everyone to drink, and they eat young trees to keep the forest from overtaking the grasslands. In every season, the elephants are there to protect the savanna and its residents - but what would happen if the elephants were only "once upon a time"? Read along to discover the important role this keystone species plays in the savanna and explore what would happen if the elephants vanished.

To Catch an Elephant Macmillan

Here's the secret. Follow your uncle's advice and take to the jungle "3 cakes, 2 raisins, 1 telescope, and a pair of tweezers." Find a tree and wait for an elephant. If the elephant is angry, obstreperous, and hungry...hold on, be brave--things are not always what they seem.

I was an Elephant Salesman Presbyterian Publishing Corp

ONE OF NPR'S BEST BOOKS OF 2019 A "warm and funny and honest...genuinely unputdownable" (Curtis Sittenfeld) memoir chronicling what it's like to live in today's world as a fat man, from acclaimed journalist Tommy Tomlinson, who, as he neared the age of fifty, weighed 460 pounds and decided he had to change his life. When he was almost fifty years old, Tommy

Tomlinson weighed an astonishing—and dangerous—460 pounds, at risk for heart disease, diabetes, and stroke, unable to climb a flight of stairs without having to catch his breath, or travel on an airplane without buying two seats. Raised in a family that loved food, he had been aware of the problem for years, seeing doctors and trying diets from the time he was a preteen. But nothing worked, and every time he tried to make a change, it didn't go the way he planned—in fact, he wasn't sure that he really wanted to change. In *The Elephant in the Room*, Tomlinson chronicles his lifelong battle with weight in a voice that combines the urgency of Roxane Gay's *Hunger* with the intimacy of Rick Bragg's *All Over but the Shoutin'*. He also hits the road to meet other members of the plus-sized tribe in an attempt to understand how, as a nation, we got to this point. From buying a Fitbit and setting exercise goals to contemplating the Heart Attack Grill in Las Vegas, America's "capital of food porn," and modifying his own diet, Tomlinson brings us along on a candid and sometimes brutal look at the everyday experience of being constantly aware of your size. Over the course of the book, he confronts these issues head-on and chronicles the practical steps he has to take to lose weight by the end. "What could have been a wallow in memoir self-pity is raised to art by Tomlinson's wit and prose" (Rolling Stone). Affecting and searingly honest, *The Elephant in the Room* is an "inspirational" (The New York Times) memoir that will resonate with anyone who has grappled with addiction, shame, or self-consciousness. "Add this to your reading list ASAP" (Charlotte Magazine).

Where's the Elephant? Alfred A. Knopf Books for Young Readers

Laugh out loud - and learn! "If you want to catch an elephant, first you must find out where elephants live . . ." So begins this tale of a boy and his quest for a pet elephant. But maybe catching an elephant isn't as simple as it sounds . . . A delightful and compassionate story for elephant lovers ages 4 years and up.

Can I Play Too? (An Elephant and Piggie Book) Feiwel & Friends

Where's the elephant? Where's the parrot? Where's the snake? . . . And where are the trees? What starts as a game of jungle hide-and-seek quickly turns into something more significant in this charming, unique book by award-winning illustrator, Barroux. A touching visual narrative works on two levels, giving parents the opportunity to discuss environmental issues. The story has a beautiful, heart-warming simplicity. *Where's the Elephant?* has been longlisted for the Kate Greenway Medal 2016.

A World Adventurers for Kids Book (#2) Michael Edwards

Unlike an operation to catch rabbits, trapping an elephant calls for expertise over enthusiasm. Those who hunt rabbits are rarely able to rope in elephants. In *The Elephant Catchers*, Subroto Bagchi distills his years of on-the-ground learning to explore what organizations and their people must do to climb to the next level and beyond. Through a combination of engaging anecdotes from his experiences as co-founder, and subsequently Chairman, of Mindtree Ltd, as well as practical advice on growth-related issues such as dealing with consultants or navigating strategy traps and M&As, Bagchi demonstrates a crucial point: Organizations with real ambition to get to the top need to embrace the idea of scale. The book leads you to evaluate: ? Is your organization's infrastructure designed to evolve and ultimately mimic the simultaneity of a living organism? ? Are you constantly nurturing and renewing your brand identity or letting it stagnate and decay? ? Does your sales force have as many hunters as it has farmers? Or is it dominated by a grizzly who just waits for the salmon to land in its mouth? ? In a fiercely competitive environment, are you really stepping `out of the box? and learning from unusual sources? Engaging, wise and thoroughly accessible, this book is a must-read for everyone in every organization seeking breakout success.

REVIEW OF HOW TO CATCH AN ELEPHANT

- Nice album of color images put together by a well known rail photographer. I met the photographer once at a "Fall Festival" at the railroad. Those were wonderful times when the railroad had four locomotives in steam at the same time. Anyway Mallory Hope Farrell was nice enough to sign my copy. I purchased it at the railroad on a prior trip. Mr Kovalchick, (the owner of the railroad) also signed my copy. So the book has added meaning to me now! If you are a model builder you won't be sorry you made this purchase! Some of the images were made in the 1950's before the Railroad shut down and was reborn as a Tourist Railroad/Museum. Very interesting to see what the "Eastie" looked like in the "Common-Carrier" days.

- All the books by Fathe Girzone are great. This, "Joshua and the Children," is one of the many good ones in the series. I highly recommend this. He's a great writer, writing from the heart great stories about people meeting Jesus.
