REVIEW OF SUPPLY CHAIN MANAGEMENT CHOPRA 5TH EDITION

- This story is so charming and delightful. There is definitely something for everyone - humor, true love, fencing, kidnapping, the fire swamp, and the zoo of death. There is so much more detail and humor that was left out of the movie, that it was a real treat to read. Definitely a classic adventure story!

- Being a long time fan of the movie :The Princess Bride ,reading the book was a logical progression . I finished it in a day , the minute the last page was turned all I wanted to do was read it all over again. Mr Goldman effectivly edited this classic saga ,making it into an extremly readable piece of writing,adding his own tale of how he,as a child,discovered th princess bride through his father.The tale is ultimitly about love ,what people will suffer through and what lengths some will go to ,to obtain love. With everthing from giants to chambers of torture this tale is truly worthy of the praise bestowed upon it from all those who read it. (its worth a mention that the original Princess Bride by S Morganstein is completly unavailable as a second hand book -Ive searched everywhere!)
