REVIEW OF GOAL ATTAINMENT SCALING IN REHABILITATION

- Knowing Cyril Cusack from his affecting performance of Egeon in the BBC version of 'The Comedy of Errors', I'm suprised by his laughable portrayal of Iago here: the silly whining and hammy delivery of the lines throughout

is a trial to listen to. If only he was given the role of the Clown instead...

- Three words: I LOVED IT! This is definitely one of the best young adult type books around. One of my all-time favorite books (like the others in the series), A WIZARD ABROAD kept me captivated till the end (an I still want MORE!). With the addition of Dairine, Nita's younger sister, who is my favorite character (sorry, Nita or Kit fans), this and the book before it, HIGH WIZARDRY, are my favorites. Please, read this book! I've had many people turn it down, but those who take my advice are glad! They agree: A WIZARD ABROAD IS THE BEST! (but read the others first!)
