## **REVIEW OF LEARNING THE LAW GLANVILLE WILLIAMS EPUB**

- Quite frankly this is my favorite book. I enjoy reading, and I've read a lot of books, but over the past 5 years since I read this, it's still my favorite, I've read it several times.
- This book was recommended to me by a friend. I have been the victim of a stalker. She was a woman from my husband's past who's anger turned into obsession. I went through everything from being followed by car, her calling my workplace, constant drive-by's past my house, her sending friends to my workplace to harass me, she's even

approached my children trying to befriend them! Above the real-life staking, she cyber-stalked me on myspace without my realizing it until a few months ago. Last year, she became so brave as to start coming to my house on a regular basis to harass me...that is until I got the police involved. Bringing criminal charges against her slowed her down, but didn't stop her all the way. Come to find out that this gal had been charged with stalking and harassment by an ex-boyfriend a few years back, so I was not her first victim. Scary stuff!!!This book helped me to understand the sickness and obsession that is behind the mind of a stalker. It gave me ideas on ways to protect myself and my family.I think that we all need be aware of our surroundings, what we do, what we put on the internet and make sure to have the knowledge to protect ourselves from these sort of people.Do yourself a favor; buy the book, read it, and share it with someone you love!
