REVIEW OF THE CONSUMER SOCIETY MYTHS AND STRUCTURES

- I found The Customer Revolution above all a very good title, like it was Seybold's previous published title Customers.com. I love the subject and agree that putting customers at the core of organizations will improve business, but if it is answers/solutions that you are looking for, I recommend you to give a look at Max Mckeow's books E-customer and soon to be published Why They Don't Buy.
- I love the author, Elizabeth Gaskell, and have read a couple of her books. Although I haven't read this book yet I look forward to it. I've found a new "favorite" author.
