## **REVIEW OF TWELFTH NIGHT STUDY QUESTIONS AND ANSWERS**

- Emerson said of Plato's Republic, it is more than a book it is a world. This is also true of Penn Warren's classic political novel. But the political story of the rise and fall of the demagogue Willie Stark is just a veneer for the real story. The real story is the struggle of Jack Burden, the cynical and emotionally reclusive narrator, to understand himself and his role in the chaotic world that surrounds him. This book is a probing reflection into the soul on par with Miller's "Death of a Salesman." The movie starring Jude Law and Sean Penn did not do it any kind of justice. A must read.

- In Shades of Gray Ms. Thomas' portrayal of the challenges of the Barnes family brings the reader face to face with the magnitude of the power of unresolved issues. Throughout the pages you will come to know the love and trust Rodney Barnes has for and in God. The same reverence is seen in his children who range from five to twenty years in age. It is his wife Sela who worships from afar. After twenty years of marriage and six beautiful children the gap between Sela and her in-laws has only widened. When tragedy strikes it is the truth of Psalm 127:1 (Except the Lord build the house), that is put to the test. Beset by pressures seemingly unbearable Sela initially reacts out of her pain. Words of love and truth spoken by her children and those from the journal of her husband are tools used to chip away at the cell walls holding her hostage to the pains of her past and present. The story is not one unfamiliar to us whether it is a personal encounter or one experienced by those we know. It is the manner in which Shades of Gray is written that causes one to examine where they are at in personal relationships, (with God and others). I commend Ms. Thomas for gifting the reading world with a novel that speaks to the truth of what a godly family should be and our responsibility to stand firm and to fight to retain the legacy for future generations.
