## REVIEW OF PRESTIGE TELEPHONE COMPANY SERVICES CASE STUDY SOLUTION

• Anyone who says this books isn't as good as the first is absolutely crazy! Donati has managed to keep the passion and intimacy in Nathaniel and Elizabeth's relationship, despite the many new characters she introduces, and the ever changing conflicts in the book. My only complaint is the loss of a well-loved character (but I won't spoil). The sweetness of E & N marriage was so realistic I could visualize it! I loved the way Donati developed Hannah's character, and I hope that the other books

don't forget about Jennet and Luke. This book leaves you drooling for the next... Sara PLEASE hurry with Hidden Wolf!

• Camika, I feel you girl. You are an awesome writer. I knew this story was too good to be true. What was wrong with Adrian? Mother knows best. Gregs mother knew something wasn't right about Adrian. Church going Shreese. She was just plain silly. I didn't feel sorry for her at all. My heart went out to Greg because he was all ready to settle down with Adrian but she had to go and mess things up. Camila, I await your next novel. Keep up the good work. Be Blessed!
