When Verity stumbles on an old, mysterious book, Poemsia, she finds herself suddenly thrust into the dizzying world of social media stardom, where poets are the new rock stars and fame is sometimes just a click away. International bestselling author Lang Leav takes you into the shadowy world of contemporary poetry in this revealing and emotionally charged story about friendship, first love, betrayal, and the courage to follow your dreams.

A Manifesto of Love, Invitation and Invocation to Humanity Andrews McMeel Publishing

From despair comes loathing, from loathing comes solitude, from solitude comes wisdom, from wisdom comes growth, and from growth sprouts a new perspective on life. This is the core of *The Feeling May Remain*: The icebergs of pain, loss, and grief, submerged in the ocean of love, self-care, and healing. *The Feeling May Remain* brings the first substantial collection of Akif Kichloo's work to the public. The title *Feeling May Remain* can be interpreted as an adjective or as a short declarative sentence, something to think about right away. Amidst the uncertainties of this amazing, terrible, magical, horrible yet beautiful life, as Akif puts it, his writing brings new perspectives to existence, with poems that range from cute and sexy to stark and dead serious, hence speaking in more than one way to the sensibilities of his readers from all over the globe.

This open access monograph argues established democratic norms for freedom of expression should be implemented on the internet. Moderating policies of tech companies as Facebook, Twitter and Google have resulted in posts being removed on an industrial scale. While this moderation is often encouraged by governments - on the pretext that terrorism, bullying, pornography, "hate speech" and "fake news" will slowly disappear from the internet - it enables tech companies to censor our society. It is the social media companies who define what is blacklisted in their community standards. And given the dominance of social media in our information society, we run the risk of outsourcing the definition of our principles for discussion in the public domain to private companies. Instead of leaving it to social media companies only to take action, the authors argue democratic institutions should take an active role in moderating criminal content on the internet. To make this possible, tech companies should be analyzed whether they are approaching a monopoly. Antitrust legislation should be applied to bring those monopolies within democratic governmental oversight. Despite being in different stages in their lives, Anne Mette is in the startup phase of her research career, while Frederik is one of the most prolific philosophers in Denmark, the authors found each other in their concern about Free Speech on the internet. The book was originally published in Danish as *Dit opslag er blevet fjernet - techgiganter & ytringsfrihed*. Praise for 'Your Post has been Removed' "From my perspective both as a politician and as private book collector, this is the most important non-fiction book of the 21st Century. It should be disseminated to all European citizens. The learnings of this book and the use we make of them today are crucial for every man, woman and child on earth. Now and in the future." Jens Rohde, member of the European Parliament for the Alliance of Liberals and Democrats for Europe "This timely book compellingly presents an impressive array of information and analysis about the urgent threats the tech giants pose to the robust freedom of speech and access to information that are essential for individual liberty and democratic self-government. It constructively explores potential strategies for restoring individual control over information flows to and about us. Policymakers worldwide should take heed!" Nadine Strossen, Professor, New York Law School. Author, *HATE: Why We Should Resist It with Free Speech, Not Censorship*.

Salomé Independently Published

"I need you to understand something. I wrote this for you. I wrote this for you and only you. Everyone else who reads it, doesn't get it." The follow-up to the international #1 bestselling collection of prose and photography, *I Wrote This For You And Only* is the third book in the *I Wrote This For You* series and gathers together the very best entries in the project from 2011 to 2015. Started in 2007, *I Wrote This For You* is an internationally acclaimed exploration of hauntingly beautiful words, photography and emotion that's unique to each person that reads it.

Pillow Thoughts III Yale Younger Poets

Bestselling authors Brittainy C. Cherry and Kandi Steiner come together for the first time in an emotional compilation of poetry and prose. Written and collected over the course of more than two years, *A Love Letter from the Girls Who Feel Everything* is an intimate, honest, and raw assemblage of two women's feelings in a modern world that often quiets any kind of emotion past indifference. Discussing themes of love, worth, loss and hope, *A Love Letter from the Girls Who Feel Everything* is a journey of discovery and healing. "We are the girls who feel everything. And this is our love letter. To you, to them, to us, to the world, to no one at all. Whether it's the brightest, sunniest day where everything is perfect, or the darkest, dreariest night of rain where life seems unbearable -- we have lived it, we have survived it, and we have felt every, blissful, aching second. Here's to embracing the feels, to the brave souls that listen to the way their hearts beat and aren't afraid to ask someone else if they feel those same beats, too. Here's to the girls, the boys, the love we sometimes share and the love we all-too-often conceal. And more than anything, Reader -- here's to you."

I Wrote This for You: 2007-2017 Simon and Schuster

The *Renegado* is one of the most shamelessly entertaining plays of its age, fetching its inspiration from a number of works by Cervantes, based on his own experiences as a captive in Algiers. Introducing the eroticized captivity narrative to the English stage, Massinger's tragicomedy combines it with the long-popular romance motif of a Christian hero's conquest of an exotic princess. But even as it indulges in romantic fantasy, *The Renegado* engages with contentious issues of national and international politics, offering a provocative response to the sectarian feuds dividing England in the 1620s, while exploiting wider European fears of the expansionist Muslim empire of the Ottomans. Through its treatment of religious confrontation and conversion, Massinger's play offers important insights into early modern constructions of the Islamic world, and emerges as a piece with unexpected resonances for our own time. This is the first major single-volume edition of *The Renegado*, making it properly available to all students and teachers of early modern drama.

With detailed on-page commentary notes and an illustrated introduction assessing its impact on the Renaissance stage as well as its particular relevance to our contemporary multi-cultural society, it is a stimulating and original teaching edition. An extract from Cervantes' *The Prisons of Algiers*, a key source for the play, is given in an appendix and the whole Cervantes text is available on the Arden website as an additional resource.

[This Is Not a Ghost Story](#) Central Avenue Publishing

Nothing is as it seems in this chilling, twisting tale by bestselling author Andrea Portes, perfect for fans of Madeleine Roux and Danielle Vega. Rife with dark humor and chilling twists, *This Is Not a Ghost Story* is American Horror Story meets *There's Someone Inside Your House*. It will have readers flipping back to the very first page after the shocking finale. I am not welcome. Somehow I know that. Something doesn't want me here. Daffodil Franklin has plans for a quiet summer before her freshman year at college, and luckily, she's found the job that can give her just that: housesitting a mansion for a wealthy couple. But as the summer progresses and shadows lengthen, Daffodil comes to realize the house is more than it appears. The spacious home seems to close in on her, and as she takes the long road into town, she feels eyes on her the entire way, and something tugging her back. What Daffodil doesn't yet realize is that her job comes with a steep price. The house has a long-ago grudge it needs to settle . . . and Daffodil is the key to settling it.

Heart Talk Kids Can Press Ltd

A manifesto of love, invitation and invocation to humanity Refreshingly candid, hilarious and insightful, *Dear Human* is the key necessary to unlock a whole new way of thinking...it is progressive and expansive. It provides insight to the soul that many of us have either: A) never seen or B) overlooked in our travels on this earthly plane. *Dear Human* asks the reader to embrace our glorious messiness, to love to the best of our ability, to continue to learn and grow, to be willing to show up and get out of the way. It blows up old programs and conditioned ways of thinking and expands the reader into new ways of thinking about timeless themes. It asks us to merge and honor our divinity and humanity equally. These chapters resonate what it means to be whole, real, authentic and loved while simultaneously showing the pathway to the freedom of enlightened empowerment. Be open to all your feelings and look to laugh and love with each and every breath. The spectrum from compassion to ego/emotional triggers is unabashedly discussed and honored within these pages. Words such as judgment, cooperation, feelings, growth, ease, resilience and harmony all have a place here. This creation strives to have the population rethink their inner workings, conditioned responses and self-imposed limitations. *Dear Human* elevates the spirit to an accomplished, soul-filling and revered place--a place of light.

Dear Human Andrews McMeel

Crafting together the power of words and womanhood, writer Tanya Markul has written a completely unique poetry collection fit for the phenomenal readers of today. In Tanya's words, "May we raise the bar for how we live our lives. May we ridiculously increase the amount of peace, play, creativity, beauty, love, and joy in everything we do. May we all sip from the wisdom of our suffering. And awaken with the courage to share our stories that can heal our inner and outer worlds."

A Best Friend's Brother Romance Castle Point Books

An occupied desert nation. A radical from the wilderness on hunger strike. A girl whose mysterious dance will change the course of the world. This charged retelling turns the infamous biblical tale on its head, placing the girl we call Salome at the centre of a revolution.

REVIEW OF BEAU TAPLIN WILD HEART

- I hate to be a party pooper, but as much as one hopes to love this book, it was just too poorly written and edited. It has many terrific ideas for someone who has baked pies before, but for a newcomer like myself, the defects are pretty glaring. I bought the book because I love "The Cake Bible". But this time, the editor went to press before finishing her work, and I bet she's responsible for wasting many thousands of hours of her readers' time, considering how popular this book is. In order to make crust using this book, you have to flip back and forth between many sections: the dough recipe, the rolling instructions, the laying out of the dough, and the baking are all in different places, in the wrong order, and not clearly labeled. I can see why this happened, because the rolling and baking are similar for different dough recipes, and she didn't want to repeat the same instructions over and over. But at least the sections should have been in order! Additional stories and comments are intermixed with the instructions, which makes it hard to follow the instructions once you find them. Different dimensions are given in different places for the size of the rolled dough you need. Section headings are not consistently formatted--sometimes a new subsection is in the same style as the heading that started the section. I'm a professional scientist and university professor, and I love to cook. I don't think I have any special impairment following instructions. The other reviewers who liked this book surely had the same experience, unless they knew ahead of time what they were doing, so I say to them: stop recommending this book so highly, except to experienced pie and tart bakers! For making pastry the first time, I would use "The Way to Cook" by Julia Child instead, which manages to give all of the necessary instructions very clearly, in the correct order, in about two pages. Then buy Beranbaum's book and read it at leisure if you want inspiration and expert knowledge, and you don't mind an error here or there. I hope there will be an easier-to-use second edition of this book. The tart I made was truly delicious, but the process made me angry. I'm guessing that the author or editor or publisher decided their deadline was more important than a final week of editing. What a shame.

- A nice collection of editorials and essays written by Meek over a 50-year period from a college editorial in the 50s to current opinions of potential presidential candidates. His humor is biting and his depth of knowledge is impressive. You may not agree with them all but you WILL think about them.
