## **REVIEW OF BOOK S**

## BUSINESS POLICY

- A very long and wordy message from the dustbin of history. I admit, the sense of being inside is worth something, but I started skimming pretty early. Read Pipes.
- This is my 6th review today. I've decided to cover all the vital books in my life, whether I actually loved them or simply found them enlightening. Not always the same case. In this case they

are. Sam is the clearest example of an enigmatic Everyman that I have ever encountered in sci fi. And his allies are as cool as his enemies. On top of that the storytelling is wholly engrossing. I had to work at understanding the characters, and plot, and meaning. Not always easy reading, but undeniably of great value. This is not for everyone, but those who abstain are doing themselves a disservice.
