REVIEW OF JAIB N S TOOR AYAHNAY

- This book was just bad, there's no way around that. After reading this book, a warning needs to be sent out. Look out Twain, Pope, and Erasmus: there is a new great satirist, and his name is Bachelder. First of all, Bachelder's exercise in satire is kind of like shooting fish in a barrel: SUV's, reality TV, fast food, etc., receive his harsh criticisms. It's really a laundry list of superficial social "problems." Drunk kids in dorm rooms could make up this stuff. My heart goes out to the poor VH1 executives who

are no doubt licking their wounds inflicted by the sharp quill of Chris Bachelder. Stylistically, it is gimmicky and tedious. For example, rather than saying "car," Bachelder says the make and model of the car, ad nauseum. Oh, I get it, we're slaves to consumer culture. We identify things as brands and products, not basic objects. Surprisingly, this gets a bit tiresome. Overall, Bachelder is satirizing something that has really already satirized itself. Why attack something that never took itself seriously in the first place? About as useless and dumb as "Who Wants to Marry a Millionaire." Now that's ironic.

- My nine year old loves this book! she said it's one of her favorites! I'm going to order the second one in a few days!
