## **REVIEW OF TENSES EXERCISE WITH ANSWERS**

- For those of you that complain about the books being too long you have obviously lost all your attention span by sitting on your couch watching T.V. For those of you that have grade 10+

reading level I strongly recommend this. You will be counting the days until spring when the 8th book (A Path Of Daggers) comes out. The characters are interesting, detailed, and for a change not all things end happily.

- On one hand I want to express joy and "praise" to the author for exposing the "harsh reality" of the African American community. This type of behavior is ignored and goes unaddressed every day in our community. That said it is good someone exposed it. However on the other hand I want to bash the author for this work. I honestly feel as though the author showed the negative behavior that plagues the African American community. He wrote and published a book about a woman who not only broke the law but proved to be an unfit mother

and attempted to justify her actions by stating she was "Surviving". I view her behavior as disgusting, despicable, and degrading to our people. It is due to behavior like Rosa's that give African American's a bad reputation. And the fact that our "leaders" and others alike fail to address the issues makes it that much worse. Thus putting the ills of her life (with few bright points) not only diminishes herself and her people....but sets our people back further.
