- Ok. You have to read this book. I'm a 16 year old male that spends most of his time sitting around in a fantasy world yet never really read. But when the Lord of the Rings movie came out i had to read the books. I sat down in 1 weekend and read this book. Preaty simple to read for some one my age. After reading it i could not wait to read The Lord of the Rings Trilogy.(I'm currently doing that). But all in all read this book. It is Great.
