REVIEW OF COMPANY TAX RETURN GUIDE

• In *A Crown of Swords*, Rand becomes increasingly unpleasant. Although this is understandable, given his treatment while kidnapped, his suspicion rapidly grows into a sort of paranoia. Rand's job also becomes increasingly more political, as he meets with Sea Folk delegations, puts his loyal Aes Sedai to work, and tries to find trustworthy regents for Elayne in Cairhien and Andor. A brief and rather unsatisfactory battle with Sammael at the end gives Rand Illian, and yet another set of political responsibilities as he accepts the crown there. Meanwhile, Egwene marshals her power in the Salidar camp, and Moghedien/Marigan escapes, a fact which doesn't seem to bother anyone quite as much as it ought to. Egwene also is involved in all sorts of political exploits, as is only to be expected from the Amyrlin. But she at least starts off towards Tar Valon, making progress towards the Tower Civil War, with her little army. She also finds Lan, hidden by Myrelle, and sends him to Nynaeve in Ebou Dar. Which brings us to the most interesting portions of the book: the search for the Bowl of the Winds, and Mat. Mat is always interesting, but once he's accosted by Queen Tylin, the fun ensues. That, added to his belief that Altarans are crazy for fighting duels over almost anything, makes for some amusing escapades. And, of course,

he's dumped on constantly by Nynaeve and Elayne, newly raised and quite aware of it. Elayne, though, lets up when Aviendha makes her (her determination to learn ji'e'toh and have Aviendha be proud of her is hilarious, mainly because Elayne finds it so hard to put away her prejudices) and Nynaeve is much less aware of Mat once Lan returns to her. There are a few encounters with various creatures of the Shadow, including Moghedien, the introduction of a new bit of Tower history in the Kin, and the invasion of the Seanchan at the end to add to the excitement of poking through the Ebou Dari Combat Zone looking for a bowl Elayne and Nynaeve have only seen in a dream. And Mat, left behind in Ebou Dar with a wall on top of him, provides a great hook to book 8.

• I look forward to each new installment but this time I was aghast that the paperback had no cover art. The hardback does. What is happening to this series that they can not afford cover art? The covers in fantasy and science fiction lend themselves to helping us imagine but this time, it looks like someone cut a corner. And it felt that way reading it, like RJ was trying to stretch the series as long as possible. He is not Tolkien. He's RJ. But the Fallon stuff is adolescent. Better concentrate on the Wheel of Time.
