REVIEW OF 2011 MERCEDES BENZ E350 MANUAL

- Of Mice and Men, by John Stienbeck is a great book. Although it started out slowly, the shocking ending is wonderful. Stienbecks very discriptive writing, and his knack for greAt novels, makes this one of the best books I've ever read.
- There is not a wasted word in Of Mice and

Men. An unforgettable and brillaint work by John Steinbeck. It is clear why this is a classic. Every emotion on the spectrum is represented somewhere in this concise and gripping story of the enduring and heartfelt friendship/guardianship between Lennie and George. I loved it, and to think this was first published in 1937, it feels like much more modern writing. Reflecting on novelists since, it is clear that Steinbeck was ahead of his time and an early pioneer of captivating American writing. Splendid and tragic.
