## **REVIEW OF E L DOCTOROW**

- The Giver is an interesting  
 drama/fantasy about a boy that gets the  
 greatest gift ever, yet wants to never get  
 them in the first place. The novel starts  
 and continues well, but the near ending  
 of the book gets sloppy and  
 unimaginative. I do rfecommend this  
 book for readers of dramatic tense,  
 though.

- This book is so good, my teacher didn't  
 want me to read it because we were  
 going to read it as a class! But I secretly  
 read it (she caught me reading it at  
 school but just laughed) and it was so  
 good! You should read this and its  
 companions, too! Deserves its medal!
