REVIEW OF MORE SCARY STORIES TO TELL IN THE DARK

- i had to read this book for school and when we first started it i wasnt to exited. by the end i loved it. it changed my views on humans and human nature.
- I first read this book 30 years ago for a high school English class. I found it to be horrible. I recently read it a second time when my daughter read it for her English class. A thing of art may be a thing of beauty, but this book is a perpetual piece of trash! My daughter who has read hundreds of books says it is the second worst book she has ever read. English teachers please take note - this is not wine that gets better with age. It is more like stale beer.
