REVIEW OF A TO Z MYSTERIES C AND D FORMAT AUDIO

- In "God-Centered Evangelism" R.B. Kuiper (student of B.B. Warfield and later a professor of Westminster Theological Seminary from 1933-1952) delivers a volume aimed at the advancement evangelism utilizing the biblical method and message. Kuiper's stated his purpose as a "plea for a God-centred, in

contradistinction to man-centred, evangelism. In other words it presents a theology of evangelism" (p. 8). First addition was published in 1966 and the edition I am reviewing in 1998. Chapters include:- God the Author of Evangelism- God's Infinite Love and Evangelism- God and the Scope of Evangelism- God and the Urgency of Evangelism- God and the Means of Evangelism- God and the Triumph of Evangelism- And many more theology based essays on evangelism Bible-minded believers need to witness more often. The great English Puritan, John Rogers, one time stirred up his congregation for the lost by imitating the screams of the souls in hell. Hell should prompt your mouth to open and trumpet the truth of God. Your love for Jesus should enkindle your heart to urge

Christ upon the pagan; your glorious union with Christ should prompt you to yearn for the salvation of those God has providentially set in your path. It is no longer you who live, but Christ lives in you, the one who loved you and died for you. As a Christian, Jesus lives in your heart by faith. Jesus said, "I came to seek and save that which was lost" (Luke 19:10). Since that was one of His goals, and He dwells in our hearts; we must follow Him as a seeker of the lost. To arouse your heart for the unsaved: ponder the cross, consider the love and excellencies of Jesus, look to the glories of heaven, and the eternal pangs of hell. As one old preacher said, "I want the stench of hell in my nostrils and the splendor of heaven in my eyes." God Centered Evangelism is a wonderful

book (247 pages) on witnessing. Kuiper exhorts the church with the following: "God commands sovereignly and for that very reason must be obeyed... To apply the foregoing to evangelism, the sovereignty of God comes to vigorous expression in the many missionary commands of the Bible, and in the measure in which one recognizes the divine sovereignty, in that very measure must one be zealous in carrying out those commands." Thus it is written, and thus it was necessary for the Christ to suffer and to rise from the dead the third day, and that repentance and remission of sins should be preached in His name to all nations, beginning at Jerusalem. And you are witnesses of these things (Luke 24:46-48). For more essays on biblical evangelism and apologetics see

my book: Truth, Knowledge and the Reason for God: The Defense of the Rational Assurance of Christianity or "God Does Exist!: Defending the faith using Presuppositional Apologetics, Evidence, and the Impossibility of the Contrary"

- Okay, I thought this was going to be pretty artwork (books like that exist - though rarely - like Manara's Gullivera). Instead, it's a pretty hum-drum sex book using too many close ups and unimaginatively drawn characters (who are technically drawn okay but look dull) and quite gross "flying fluids"

exaggeration. The stories are the same-old repressed male fantasy stories you can hear anywhere - although not as original (forbidden fruit gets stale) as some grass-roots stories. Boring. If not stupid. Erotic only to the lame. I own quite a bit of plain-jane non-erotic mainstream manga and I can only say that there are far better artists with talent both in drawing and layout out there. Indeed, even as far as sex matters go, tamer series get it better. In hopes of swaying, swinging breasted ladies flirting and laughing, I was disappointed in basically raw pornography.
