0534409776 UUS45 has offered us with an abundant understanding of the narrative and its literary possibility. We very recommend this book to readers who are looking for a thought-provoking and psychologically impactful read.

### **REVIEW OF 0534409776 UUS45**

- I bought this book because I wanted to see how good the enhanced edition was to the actual book. We Will See.
- This book is quite simply, wonderful. It can stand on its own as a self contained story, but when read in conjunction with the

Lord of the Rings, it's deceptive simplicity suddenly falls away. Many people have said you don't need to read this in order to enjoy "Lord of the Rings", and this is true. However, you are cheating yourself if you don't. Many major and key players from LOTR are introduced here, not to mention the extremely important moment when Bilbo Baggins finds a lost ring in the caves under the mountain. This story is less than 100 years old, yet it resonates and feels like Tolkien was

basically rewriting old myths. The argument for this can indeed come from some of the source materials that Tolkien used, but as far as I can see, the story is wholly original. It's wonderful that in the age when everything was modern and sleek, Tolkien gifted the world with this age old story. This book may have been written for kids, but I have noticed that many more adults seem to enjoy it than children. It may be Tolkien's overly descriptive language can turn kids off, but this book is definitely worth the read.
