On the whole, our evaluation of Dk Eyewitness Travel Guide Spain has provided us with an abundant understanding of the story and its literary capacity. We extremely advise this publication to visitors who are searching for a provocative and mentally impactful read.

## **REVIEW OF DK EYEWITNESS TRAVEL GUIDE SPAIN**

- Mark Twain, like Will Rogers is an American

icon. As a general rule, anything either one ever did is worthy of consideration. 'Life on the Mississippi' is Twain (Samuel Clemons) at his witty best. There are some tall tales, and some poignant memories of a great time in America's development. However, all that being said, the book I received could have been in better condition.

- The main character, Hank Morgan, gets hit on the head in the 19th century and goes back in time to the year 528 in King Arthur's court. Using modern technology, he becomes more famous than evil Merlin the Magician. Hank, titled the Boss, meets humble friends like Clarence and Sandy who help him get

accustomed to the Medieval Period. Hank travels around the English countryside with a down-to-earth man, King Arthur. I liked the story because it was interesting and unique. I found the story to be interesting because the 19th century meets the 6th century. Hank brings electricity, personal hygiene methods, and other modern conveniences with him to the Medieval community. It is interesting how the Middle Ages people get acquainted with these technological advances. The book also gives you insight and a new point-of-view on famous Medieval legends. King Arthur dresses up as a peasant, his sister Morgan Le Fay

overturns hanging sentences, and Merlin becomes a deceiving, unfriendly magician, all as a result of Hank's magical powers and his influence on them. There are a few very intense and suspenseful events that make you wonder the fate of Medieval myths. The book has a complicated plot. There can be parts where there is little or no eventful action for a long time. However, when there is an action, it is intense and happens quickly. If you like fantasy and/or myths, you will definitely love *A Connecticut Yankee in King Arthur's Court*. It is a mature, insightful book. Twain maintains his reputation as a master storyteller with this book.
