## REVIEW OF HORNGREN ACCOUNTING 8TH EDITION SOLUTION MANUAL PDF DOWNLOAD

- A lot of people dislike this book for reasons that mainly show up in the first half of the book. Nynaeve is particularly annoying throughout most of the book and her point of view seems to overwhelm the first half. Nynaeve's parts, being mostly dialogue and fighting with Elayne, made the first half pretty slow. Also, I have to complain about the fact that Perrin/The Two Rivers wasn't included whatsoever in this book. Since he has one of the most interesting story lines in the book I was a little dissatisfied, but I'm sure there's a reason and it makes me more excited for book six. I forced myself through to the second half of the book, and everything turned around. It took me about two days to finish the last 500 or so pages and it was an obsessive read. I don't want to give anything away, but it really picks up when it gets back to Rand and Mat and I just ordered book six...dying until it gets here. It's really worth reading. Just push yourself past the first few hundred pages.

- this is by far the best series of books i have ever read. I'm on my third time through them. the only thing i don't like is the wait. my first time through, i had to wait for book 7. And i'll be waiting for book 8 when I finish the series. I just hope book 8 is out soon. I hate the wait.
