- My Sister and I when we were little used to love to sing along with Books and Tapes in the Wee Sing Series, especially this one, because we have always loved to laugh. The Wee Sing books and tapes will take children into a world of fun, they can learn wonderful things from these tapes.

However, it never has to seem like learning. That's part of the magic. For on these recorded tours, your children's tourguides are singers and actors. If you have children be sure to buy this tape you'll laugh your head off with them. My sister and I eventually outgrew these tapes, but I kept them, even copied them onto blank audiotapes so I could give them as gifts to people who have children. Now if only Pam Beall and Susan Nipp could make a sequel to this one and call it Wee Sing More Silly Songs.
